SUBJECT: Maximum Allowable Reproduction Rates for Consultants

In addition to the maximum allowable non-salary direct cost rates established by the NCDOT Consultant, Utility, Railroad and Turnpike (CURT) Unit, consultants are limited to the rates established below or the actual cost paid per sheet, whichever is lower. These amounts were determined by comparing reproduction costs from multiple vendors in every region of the state and calculating the average.

Size	Maximum Allowable Rate Per Sheet/Unit	
	Black and White	Color
22" x 34"	\$2.82	\$8.51
24" x 36"	\$3.20	\$8.62
30" x 42"	\$4.25	\$13.07

All other rates issued by the CURT Unit in the Maximum Allowable Non-Salary Direct Costs memorandum, including mileage, subsistence, etc., remain unchanged and in effect.

This rate sheet is maintained by the DoA Finance and Grants Section. Please direct requests for updates to the Manager of Finance and Grants.
