EBS is Enterprise Business Services. It is the website where the Powell Bill Reporting System (PBRs) users will log in to submit the required PB information. ### 3. How does a municipal staff member get access to the PBRs?

Anyone who needs access to the PBRs will need to obtain an NCID and then fill out an Access Authorization form. The EBS access instructions can be found on the [PB website](#). Each individual must fill out a form and email it to [NCDOT\\_PowellBill@ncdot.gov](mailto:NCDOT_PowellBill@ncdot.gov) for processing. Access to the PBRs is set up on an individual basis and sharing of log on information is against NCDIT SAP Security policy.
