Updated January 2015

Annually, State street-aid (Powell Bill) allocations are made to incorporated municipalities that establish their eligibility and qualify as provided by G.S. 136-41.1 through 136-41.4. The general statutes require that a sum be allocated from the State Highway Fund to the qualifying municipalities equal to the revenue for the fiscal year by 10.4% on each taxed gallon of motor fuel. These funds are distributed to the qualified municipalities in two allocations on or before October 1 and on or before January 1, and are to be expended only for the purposes of maintaining, repairing, constructing, reconstructing or widening of local streets that are the responsibility of the municipalities.

Each municipality establishes its eligibility annually by submitting to the Department of Transportation a Certified Statement and a Certified Powell Bill Map. Each municipality is statutorily required to submit a financial statement of revenues and expenditures for the preceding fiscal year.

The first State street-aid allocation was disbursed in 1951 at a rate of one-half cent per gallon of taxed motor fuel and continued annually at that rate through 1971. The general statutes were amended and the rate changed in 1972 and in 1982. From 1972 through 1981, the rate was one cent per gallon. In 1982, it was increased to 1-3/8 cents per gallon. The 1986 General Assembly increased the State Motor Fuel Tax effective July 15, 1986, and at the same time increased the Powell Bill rate to 1-3/4 cents on each taxed gallon. This rate became effective for the 1987 allocation. The 2013 General Assembly revised the annual amount appropriated out of the State Highway Fund to a sum equal to 10.4% of the net amount after refunds that was produced during the fiscal year. This rate became effective for the 2013 allocation.

The amount of each allocation and the number of participating municipalities by year is shown below:

Municipalities that are associated with the State Treasurer's Electronic Payment System (STEPS) had their allocation deposited directly to their account on or before October 1 and January 1. Forty-six municipalities received their allocation by check mailed October 1 and January 1. For more information, please contact Mr. Todd Morgan, Commercial Accounts Manager, NCDOT Fiscal Section, at telephone (919) 707-4292.

Seventy-five percent (75%) of the funds allocated or \$ 110,482,583.36 was divided among all qualified municipalities on the basis of relative 2013 estimated population. The \$ 110,482,583.36 was divided by 5,374,873 (i.e., population of all eligible and qualified municipalities as estimated by the State Planning Officer) to produce a per capita rate of \$20.5553849.

Twenty-five percent (25%) of the funds allocated or \$36,827,527.79 was divided among all qualified municipalities on the basis of relative mileage of non-State System or local streets complying with the Act. The \$36,827,527.79 was divided by 22,416.85 miles (i.e., the total length of all eligible streets as furnished by the municipalities) to produce a per mile rate of \$1,642.85.
