State Street-Aid (Powell Bill) Program

Annually, State Street-Aid (Powell Bill) allocations are made to incorporated municipalities that establish their eligibility and qualify as provided by G.S. 136-41.1 through 136-41.4. The general statutes require an appropriation of funds by the General Assembly to the Department of Transportation for State aid to municipalities from the State Highway Fund. These funds are distributed to the qualified municipalities in two allocations on or before October and January 1st. They are to be expended primarily for the purposes of resurfacing streets within the corporate limits of the municipality but may also be used for maintaining, repairing, constructing, reconstructing, or widening of local streets that are the responsibility of the municipalities, and any planning, construction, or maintenance of bikeways, greenways, or sidewalks pursuant to G.S. 136-41.1 – 41.4.

Due to the 2023/2024 budget not being finalized before the October 1st allocation, the Continuation Budget was used to determine the amount sent in October. Since then, the Powell Bill budget has been established with Senate Bill 259 Session Law 2023-134; and the participating municipalities will receive the balance of their full Powell Bill Appropriation in the January Powell Bill Allocation.

For a municipality to be eligible for Powell Bill funds they must submit to the NCDOT a Certified Statement, Street Listing, and a Certified Dated Powell Bill Map. A map is required to be submitted every five years or if changes have been made to either the municipality's corporate limits or to their mileage. In addition, each municipality is statutorily required to submit a Powell Bill Expenditure Report that reports only Powell Bill revenue and expenditures for the preceding fiscal year and a Fiscal Data Report which is a federal financial report of all expenditures and revenues for the preceding fiscal year spent for street purposes, regardless of the funding sources.

The first State Street-Aid allocation was disbursed in 1951 and based on a rate of one-half (1/2) cent per gallon of motor fuel. Throughout the years the general statutes were amended, and the rate continued to change. The 1986 General Assembly increased the State Motor Fuel Tax effective July 15, 1986, and at the same time increased the Powell Bill rate to one and three-fourths (1-3/4) cents on each taxed gallon. This rate became effective for the 1987 allocation. In 2013 the General Assembly revised the annual amount appropriated out of the State Highway Fund to a sum equal to 10.4% of the net amount after refunds that were produced during the fiscal year. Effective for the fiscal year 2015-2016, the General Assembly eventually ratified SL 2015-241, which stabilized the program's funding by appropriating the amount of funds to be disbursed.

Below are the amounts disbursed each year and the number of municipalities participating:
