This is to certify that I am a registered Engineer/Surveyor and that the map and street lengths prepared under my direction are true and correct.

Memo:

The City of Lexington has zero (0) additions totaling 0 miles and five (5) deletions totaling 1.55 miles to the 2024 Powell Bill street listing.

Any further differences in the remaining street lengths from previous Powell Bill reports are due to a re-measurement of all streets in a GIS (Geographic Information System) format for this 2024 map.
