This is to certify that I am a registered Engineer/Surveyor and that the map and street lengths prepared under my direction are true and correct.

Memo:

The City of Lexington has zero (0) additions totaling 0 miles and two deletions totaling 1.01 miles to the 2023 Powell Bill street listing.

Any further differences in the remaining street lengths from previous Powell Bill reports are due to a re-measurement of all streets in a GIS (Geographic Information System) format for this 2023 map.
