

Mid-Currituck Bridge Project

Thank you for your participation!

Based on your comments submitted during and after the Citizens Informational Workshops for the Mid-Currituck Bridge Project, the North Carolina Turnpike Authority (NCTA) has completed the **Statement of Purpose and Need** and **Alternatives Screening** reports. These reports provide additional details on the need for the project and the alternatives selection process for the Draft Environmental Impact Statement.

The reports will be available for public inspection at the locations listed on the back of this postcard, as well as on the project website at:

<https://www.ncdot.gov/projects/mid-currituck-bridge/>

The NCTA invites you to examine the reports and provide any comments by **May 15, 2008 to:**
