

7-22-2021 - Move Forward Project List for Preliminary Engineering

Central Let STIP projects (DDRL, Raleigh Let, DB) that are scheduled to be let through June 30, 2027 are approved to move forward with PE. In addition, Division Let STIP projects and Non-STIP Bridge projects (B, BR, 17BP, 15BPR and BP) that are scheduled to be let through June 30, 2025 are approved to move forward with PE. Note that the PE start date is at the discretion of the project manager, and the project manager will contact the consultant of record to begin/restart a project at the appropriate time.

The list below covers exceptions to the statements above and include: Projects that have let dates outside of the time windows and are approved to move forward with PE

Project added to the Move Forward List since last update.

~~Project removed from Move Forward List. PE activities need to stop.~~
