Project Management Guide Rollout This Month

The NCDOT will roll out the *Project Management Guide* and *Project Management Activity Diagram* in September. The rollout includes an introduction video and a comment form. In-person and online training will be available at a later date. More information about training will be provided soon. So, stay tuned!

Candidate Project Guidance Now Available

The NCDOT's Candidate Project Guidance is now available on the Project Management Connect Site's Tools and Templates tab. The guidance provides a specific process for advancing potential transportation system improvements. The NCDOT, Metropolitan and Rural Planning Organizations and NCDOT highway divisions will use the guidance to move proposals from planning to development.

Invoicing and Progress Report Templates Forthcoming

The NCDOT will release standard invoicing and progress report templates in October. The templates provide consistency while allowing customization to meet projectspecific needs. NCDOT staff and industry partners are expected to use the templates for all technical and construction services.
