

## 14\_04 CC Type 11 Valley Gutter

### Question:

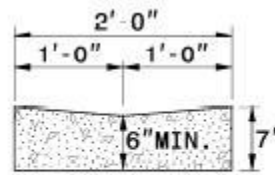

My TIP Project requires the replacement of existing valley gutters on the cross sections. How are valley gutters drawn with Criteria?

### Answer:

Concrete Curbing Type 11, Valley Gutter, has been added to the Criteria Library. Simply define the (i)"CC01 CURB TYPE" as 11 to draw it with Criteria.

**Type 11:**

**Valley Gutter**

**VALLEY GUTTER**
