This procedure, **for ORD v. 2023 only,** is used to download and install the NCDOT ORD CONNECT Workspace and configure it for worksets outside of ProjectWise, specifically on a C:\ drive.

1. **Download** the workspace ZIP file located at
https://connect.ncdot.gov/resources/CADD/Pages/default.aspx

> 06.28.24 2023 - NCDOT_CONNECT_WORKSPACE(2023.NC.24.09) `ZIP`

2. **Delete** (if present):
   a. <u>Old 2023 workspace:</u> C:\NCDOT_CONNECT_WORKSPACE\Configuration_2023 (May leave other workspaces such as Configuration_10_12. 2023 workspace will be downloaded separately.)
   b. <u>B-0000 Folder/workset template:</u> C:\Projects\NCDOT\B-0000 and associated CFG's & DGNWS's

3. **Extract** the Zip file by going to your Downloads folder, right click the ZIP, Extract ALL to **C:** (NOT the default folder

4. **Create** a new workset (if desired) by opening C:\Projects\NCDOT in File Explorer and manually copying the B-0000.cfg and B-0000 folder to the same location and rename to the project's TIP #.
   a. **Copy B-0000.dgnws** from C:\Projects\NCDOT\B-0000\Workset to C:\Projects\NCDOT and rename as [TIP #].dgnws

5. **Launch** ORD 2023 by choosing it in the start menu or from the out-of-box desktop icon. (note: always launch this icon then open the project files so that all the workspace elements are loaded correctly. **DO NOT DOUBLE CLICK ON PROJECT FILES TO OPEN**.) A desktop icon which skips ProjectWise Authentication can be found at C:\NCDOT_CONNECT_WORKSPACE\Configuration_2023\WorkSpaces\DOT-US North Carolina\Desk

DO NOT choose B-0000 as workset

6. **First Time Using ORD 2023 Only:** Select as shown below:

   a. Choose Manage Configuration
   b. Choose Add
   c. Name Configuration "NCDOT 2023"
   d. Choose Local
   e. Select Browse and path to the Configuration_2023\ folder
   f. Check Visible
   g. Click OK in both dialogues

7. **Select** the <u>Configuration</u>, DOT-US North Carolina <u>Workspace</u>, <u>WorkSet</u> and <u>Role</u>
8. **Open** your file. (Or create a new file if necessary. 'Recently Opened' files will be shown as well.)
