

CHAPTER FOUR

GENERAL NOTES

PURPOSE

4-1

General notes are provided to help clarify the plans. The most frequently used general notes appear on the website at:

<http://www.ncdot.org/doh/preconstruct/ps/contracts/standards/checklists/1A.html>

It is the responsibility of the Project Engineer or Project Design Engineer to denote the general notes pertinent to his project and to write additional notes which do not appear on the website. Only general notes relative to project should be shown.
