State Contract Officer

Subject: Concrete Transitional Sections for Catch Basins and Drop Inlets

Due to a request from the Contracting industry, we have decided to add two pay items to Transport. The pay items are as follows:

- Concrete Transitional Section for Catch Basins - Per Each*
- Concrete Transitional Section for Drop Inlets - Per Each*

These pay items will be added to all projects as needed beginning with the **January 20, 2009 Letting**.

These items are shown as "Concrete Aprons" on Rdwy. Std. Dwgs. 852.04, 852.05 and 852.06 and are considered incidental to the Catch Basin or Drop Inlet. Prior to the 2006 Specifications Book update, these items were paid for as "Concrete Aprons for Drop Inlets" or "Concrete Aprons for Catch Basins" on a per each basis. We have decided to rename these items to avoid confusion with Concrete Aprons that are attached to Median Drop Inlets. The Special Provision needed for the new pay items is attached.

If you have any questions, please call Joel Howerton at (919) 250-4128.
