

_____ **PHASE SUBMITTAL**

I have checked this submittal for compliance to NCDOT standard practices and policies and to standards set forth in the NCDOT Roadway Design Manual. I have also reviewed this submittal for economics, constructability and safety and found that all elements have been adequately addressed to the best extent possible. This submittal is in compliance with the Roadway Design guidelines provided by the NCDOT.

Submittal (Check One):

- _____ Design Assumptions
- _____ Preliminary Review
- _____ Preliminary Field Inspection (Combined)
- _____ Right of Way
- _____ Final Field Inspection
- _____ Final Turn-in
