

Significant Revisions for Construction Manual

The Construction Manual has been updated to include new or revised specifications and procedures. There are significant revisions in several Divisions of the manual.

Hard copies of the 2014 Construction Manual updates are not being distributed to manual holders.

Division One

Section	Section Title	Summary of Revision
105-2	Plans and Working Drawings	Electronic Submittal to Structures Management Unit and Geotechnical Engineering Unit
107-15	Liability Insurance	Proof of Workers Compensation Insurance
108-6	Subletting Contract	Established timeframe to submit subcontract forms. Value of materials purchased by Prime Contractor not included in Prime's percentage of work.

Division Four

430-6	Erection and Installation	Grout strength, curing and proper mixing. Use of reaction frame for post tensioning.
450-3(B)	Pile Installation	Holes in piles

Division Ten

1010-1	Aggregate Base Course	ABC Sampling - changed tonnage for small quantity projects
--------	-----------------------	--
