SUBJECT: Private Engineering Firms Summer Interns

The Department of Transportation and ACEC discussed allowing firms to propose summer interns to work on projects. Hiring college students would attract them to this work field.

The Department has agreed to hire summer interns at a reimbursable rate of **\$19.87 per hour**, which is the same rate as an entry level Technician Trainee. The PEF shall coordinate with each Division Construction Engineer the seasonal needs for summer interns.

If you have any questions or require additional information, please contact Mrs. Maira Ibarra of the Construction Unit at (919) 707-2401 or via e-mail at mibarra@ncdot.gov.
