R. SAMUEL HUNT III
SECRETARY

September 9, 1994

MEMORANDUM TO: Whitmel H. Webb, P. E.
Manager, Program Development Branch

FROM: David Modlin, P. E.
Feasibility Studies Unit Head

SUBJECT: Centennial Campus, Connector Roads for the Proposed Textile
Center, Wake County, FS 91-95-003

You requested a construction cost estimate for extending existing cross sections beginning at the entrance to Centennial Campus from Avent Ferry Road which would complete the road system to the north and east of the proposed Textile Center. The cross section at the entrance to Centennial Campus is a 4-lane divided curb and gutter section with an 18-foot raised, landscaped median. The roadway on the eastern side of the proposed center will be the extension of an existing 40-foot face-to-face curb and gutter section. In addition, a 20-foot berm with an 8-foot paved bicycle/pedestrian facility is anticipated and is included in the cost estimate.

The estimated cost of the proposed improvements are:

Construction	\$ 1,500,000
