MEMORANDUM

TO: File

FROM: Maria N. Wall

SUBJECT: Northwest Boulevard (SR 1801) Relocation, US 52 to
Liberty Street, 14th Street Connector,
T.I.P. U-3121

This is a memorandum to cancel the subject feasibility study. The City of Winston-Salem has completed design plans and has begun right-of-way acquisition for the 14th Street Connector. It is anticipated that the contract for construction be let in the spring of 1994. A copy of a letter from Jack A. Leonard, Winston-Salem City Engineer, to Doug Waters, Division Engineer (9) is attached.

2128 Cloverdale Avenue
Winston-Salem, N.C. 27103

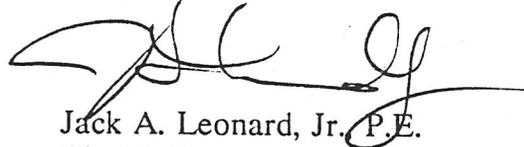

SUBJECT: Northwest Boulevard (SR 1801) Relocation, US 52 to Liberty Street,
14th Street Connector U-3121.

Dear Doug,

As we discussed the City of Winston-Salem is currently acquiring right-of-way for the subject project. We anticipate completing this acquisition this winter and letting a contract for construction of the project in the spring of 1994 with completion in late 1994.

I have included a set of preliminary plans for your review and comments. Please let me know if you have questions.

Sincerely,

Jack A. Leonard, Jr. P.E.
City Engineer
