

Anson County CTP Steering Committee Meeting Minutes June 16, 2022

Members Present:

Scott Miller, JD Bricken, Larry Newton, Corey Ross, Kevin Thomas, Rodney Diggs, Tanya Byrd, Phil Ponder. Lee Snuggs

Zoom: Roger Castillo, Dominique Boyd

- Roger Castillo presented the group with the Anson County Comprehensive Transportation Plan (CTP) presentation as well as a [sample survey](#) planned for the citizens of Anson County. Also, a reminder that the [NCDOT Anson County CTP](#) website is regularly updated with meeting documents. The Anson County CTP Vision Statement was presented and discussed.
- JD Bricken (Anson County Commissioner) shared with the group a new mulching and recycling facility located at the landfill that will have an impact on roadways leading to the facility.
- Kevin Thomas (Lynn Thomas Grading) expressed concerns with big trucks on small roadways. Rock Crusher Road was used as an example with its steep grade and 90 degree turns.
- The group discussed the CTP Survey and ideas to make the community aware of the survey and encouragement to complete and offer their input.
- Ideas for public forums to make citizens aware of the upcoming CTP and its importance.
