### Summary of Agenda Items:

During the meeting the following items were discussed:

Linda Dosse opened the meeting for the CTP update. The majority of the meeting was spent in discussion of specific project recommendations and changes to the maps and highway inventory. Large plots of all the modal maps were laid out on the conference table and markers and sticky notes were provided to include comments directly on the maps.

There was an update on information at jurisdictional borders since the last meeting.

The next meeting of the steering committee will be May 20, 2015 at 11 am.
