3 Which THREE of the following are most important to you?

- More transportation choices (More ways to get places-- buses, sidewalks, bike trails, etc.)
- More efficient travel times (Roads with more lanes and fewer intersections, express bus services, etc.)
- Economic growth (New and expanded improved roads, railways, and aviation to attract and expand businesses)
- Expand public transit options (Bus service to more destinations, park 'n' ride lots, etc.)
- Improve safety (Speed limits, intersections, road conditions, site distance, traffic accidents, etc.)
- Environmental protection (Protect wetlands, streams and wildlife, reduce air and noise pollution)
- Maintenance (Repairs and general upkeep of existing transportation facilities)
- Care for special needs citizens (Better transportation for elderly, low-income residents and those with disabilities)
