Meeting Summary

Part of PowerPoint Presentation

- Current Thoroughfare Plans, MTP, CTP and Land Use Plans
- Difference between CTP 1.0 and CTP 2.0 were shown thru the working copy of previous maps and the newer format of the CTP maps.
- All modes of transportation will be covered in the CTP.
- FAMPO Travel Demand Model will be utilized to project the future traffic.
- CTP Schedule was presented.

Public Involvement Plan:

- Online Survey on MetroQuest and distribute paper copies at the MPO/ RPO Offices, Municipal buildings.
- Survey should be open for more than 30 days and should be open through the Dogwood Festival on April 23-26.
- Contact the communications office to distribute the survey. MPO/ RPO coordinator will forward the Survey information to the Communications office.

CTP Committee Handbook:

It is a draft handbook describing the roles and responsibilities of the Steering Committee/ Stakeholders. It also includes the detailed meeting schedule and the CTP Timeline.

Highway Network:

Previous CTP Working Maps from 2010-2013 were presented. Also, the Maps showing the Travel Demand Model network roads were shown. All the modeled roads will be included in the CTP Study. Steering committee members are asked to identify the additional roads that need to be included in the CTP.

Next Steps:

MPO/RPO Coordinator will send out the doodle poll to schedule the next meeting.
