

## Agenda/ Summary

Cumberland County/ FAMPO Comprehensive Transportation Plan  
2<sup>nd</sup> CTP Steering Committee Meeting  
July 20<sup>th</sup>, 2020, Monday 1:00pm- 3:00pm  
Online meeting

1. Introduction

2. CTP Vision / Goals and Objective:

Need to add economic development as one of the goals.

3. Public Involvement

- a. Survey roll out: it was suggested the survey should be available for 45 days, Steering committee will review it and then we will publish it. The survey link will be posted on NCDOT's CTP webpage, FAMPO Website. We will request locals, steering committee, MPO and RPO to send it out via their listservs.
- b. Public Meetings:  
Wilmington MPO held Virtual drop-in session to gather input for their upcoming MTP. As a result, they had higher turn-out than in-person meetings. We will schedule the drop-in session dates at our next steering committee meeting.

4. Highway Facility Types:

Presented Highway facility Type classification criteria table and Map. (Attached in presentation)

5. Base year and future year deficiency analysis:

Presented the overview of volume to capacity ratios and Base year and Future year deficiency analysis maps. (Attached in presentation)

6. Highway Recommendations Map with MTP projects:

Current TIP projects and FAMPO MTP are shown in CTP format. (Attached in presentation)

7. Other Highway recommendations:

Additional projects will be added to the map based on deficiency analysis, local and steering committee input and based on survey results.

8. Local Bike and Ped projects:

Bike and Ped recommendations maps are attached separately.

- 2045 FAMPO MTP Bike and Ped Element – Explained how we are incorporating the 2045 FAMPO MTP bike / ped elements into the CTP as various other plans were already incorporated into the MTP
- City of Fayetteville Bicycle Plan (2020) – This was not included in FAMPO MTP but will be included in our CTP

9. Wrap Up/Next Steps

1. Survey Results
2. CTP Vision/ Goals and Objective
3. DRAFT CTP Maps
4. DRAFT Project Proposals

Next Steering committee meeting will be scheduled in mid-September.
