# Q20: Southeast High Speed Rail

# Q21: Age

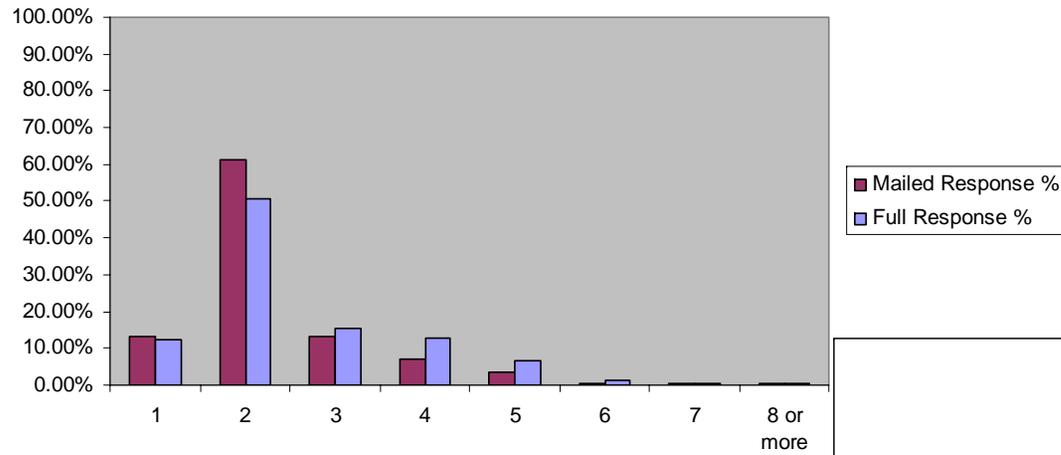

# Q22: Race

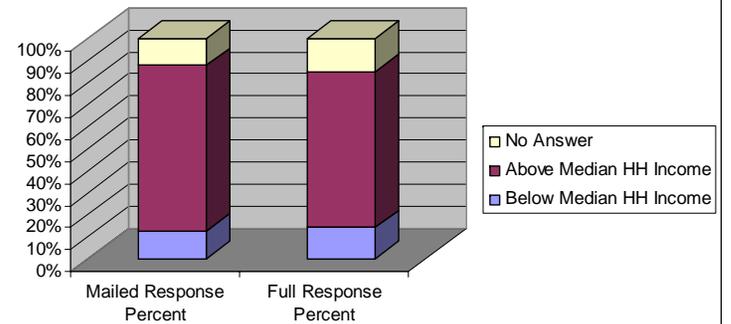

# Q23 & 24: Household Size/Income

**Household Size**  
Average Household Size 2000 Census: 2.58

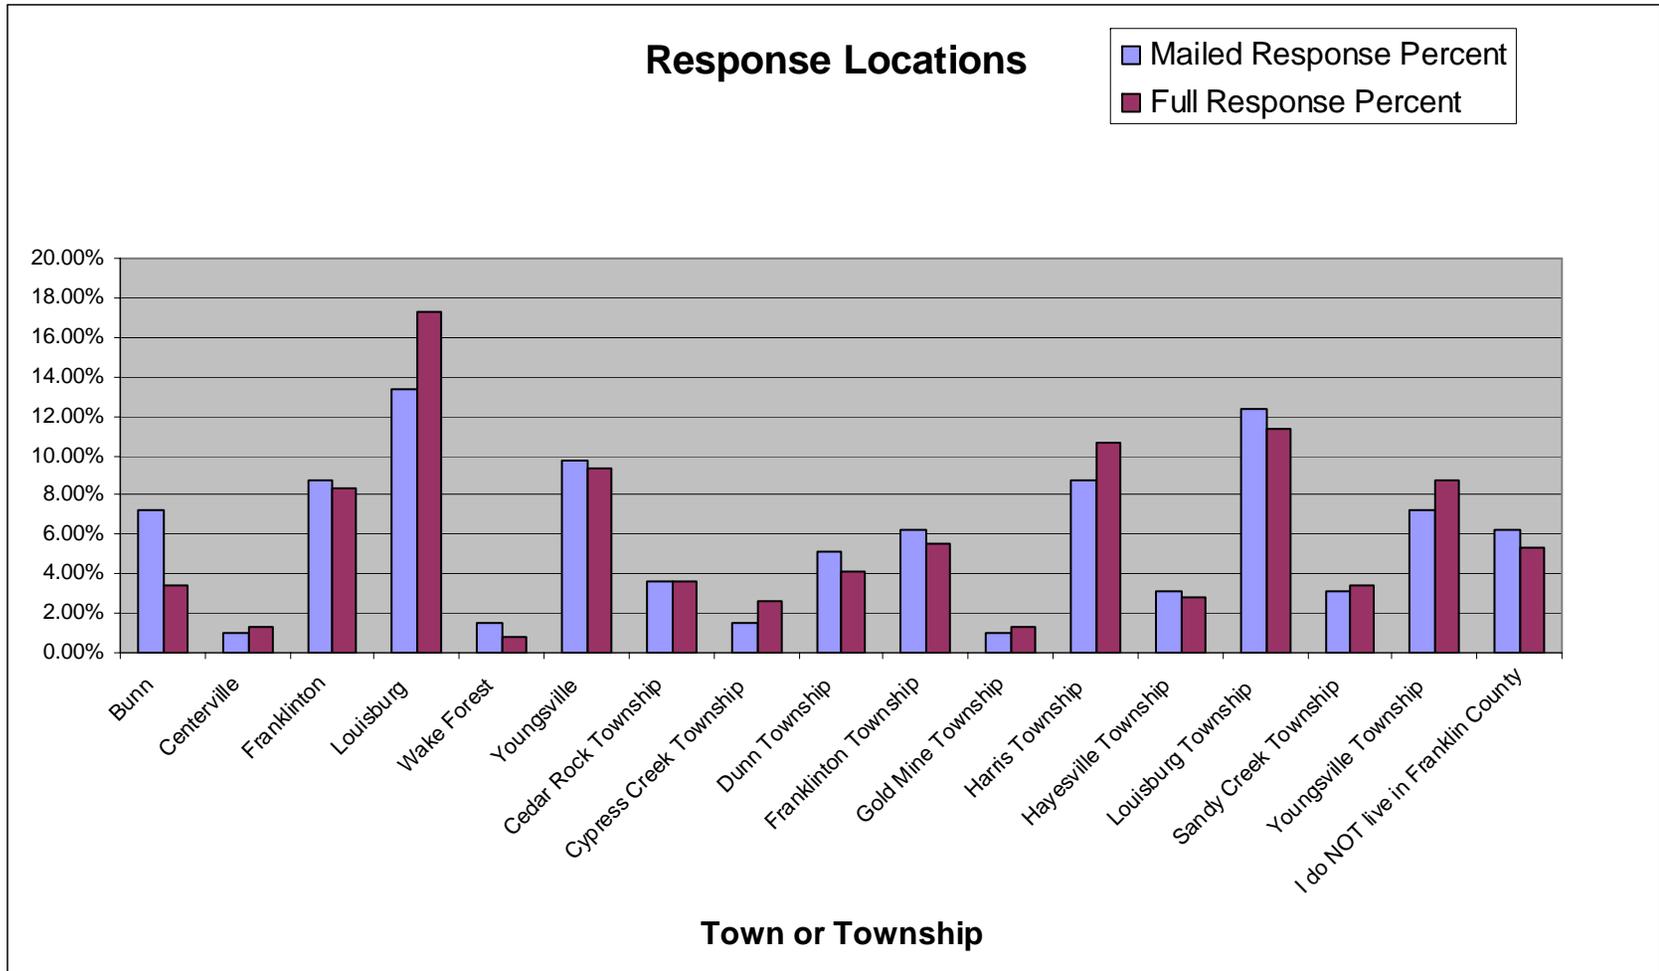

**Household Income**

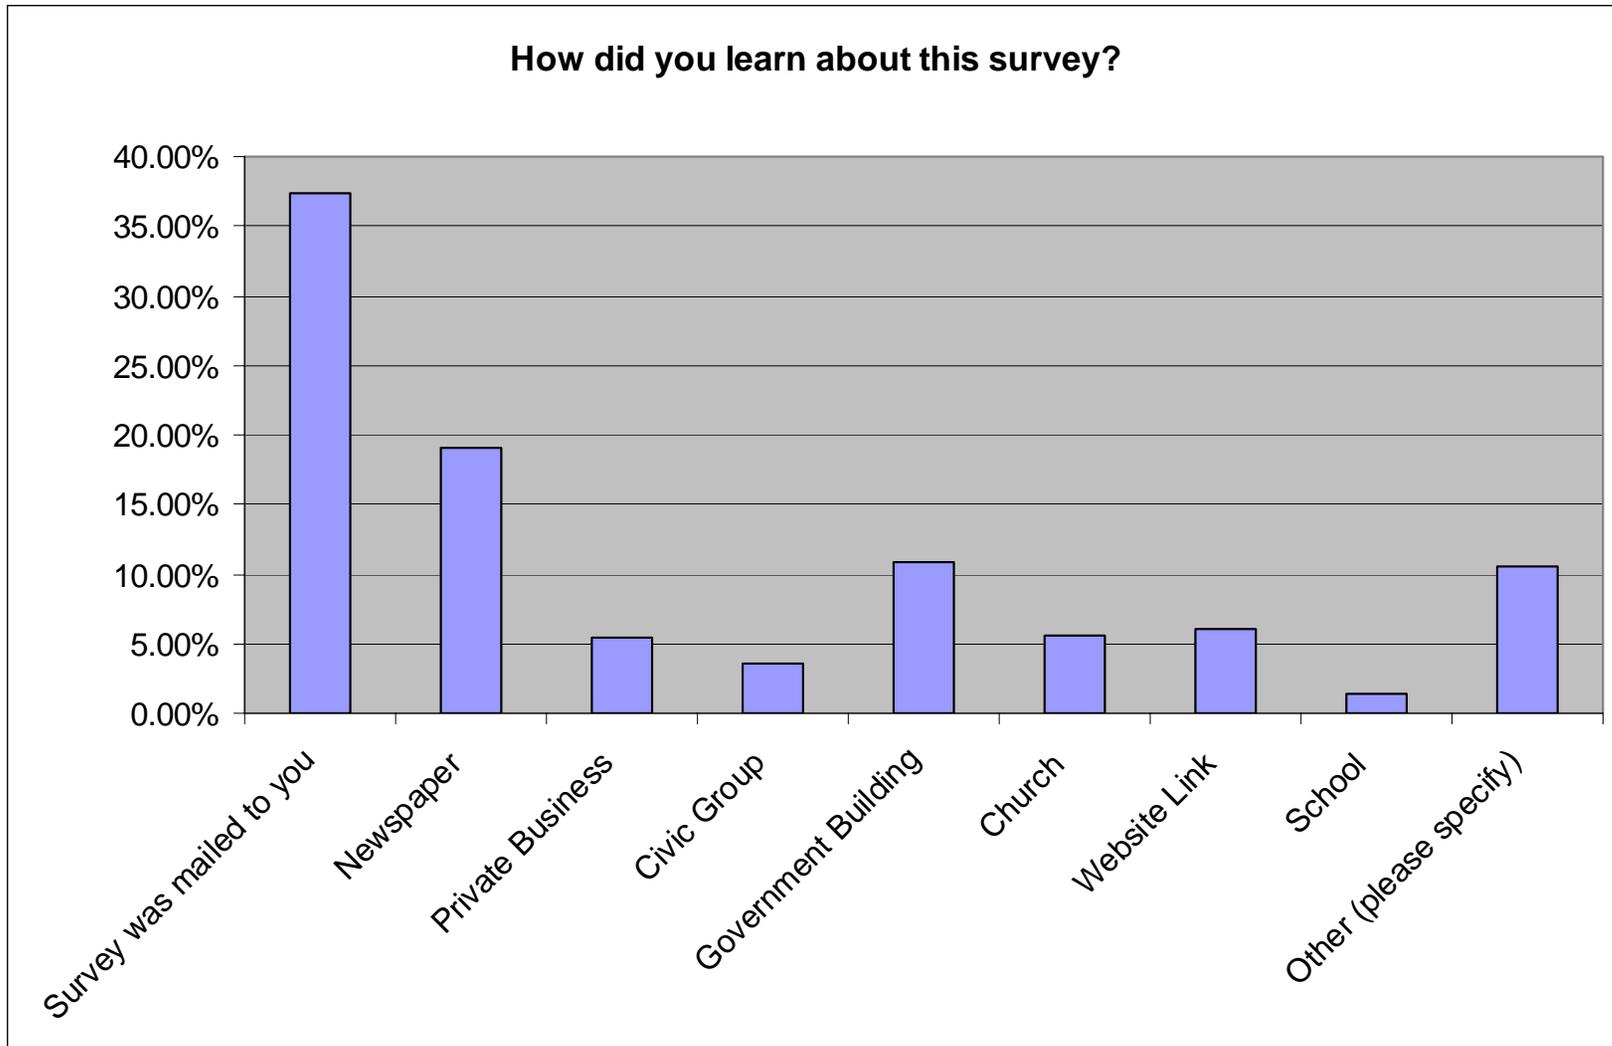

Median HH Income:  
\$38,968

# Q25: Where do you live?

# Q26: Where did you find the survey?

## Q27: *Want to be kept informed?*

---

- 127 email addresses collected

# Survey Observations

---

- ❑ A few under-represented groups in county (age, race)
- ❑ Very good participation – 582 responses
- ❑ 60-70% support developer contributions to pay for infrastructure
- ❑ No strong support for alternative transportation (bike, pedestrian or transit)
- ❑ Focused on major roads: 1, 98, 96 & 56 and most important by far is 401

# Survey Observations
