Notes:

The concepts shown on a CTR are for planning purposes, represent operationally feasible concepts, and are subject to change. The concepts will need to be funded, and final designs approved. Local zoning or subdivision ordinances may require the dedication of right of way based on the concepts shown on the CTR and the local collector street plans, based on N.C.G.S. 136-66.2 and 136-66.10. The U.S. 70 corridor was designated as a high-priority future interstate on the National Highway System in the FAST Act (Fixing America's Surface Transportation Act) signed into law in December 2015.
