I. Previously Held Meetings Recap

Mr. Bray stated that he had been driving around the county to confirm road data that he had collected and had on file. He stated that he had begun working on the volume/capacity spreadsheet that was approved at the previous meeting for Harnett County.

II. Traffic Counts

Mr. Bray and the committee studied the spots of the county where traffic counts existed and where Mr. Bray had already requested additional counts. The committee then looked at other roads and areas where they felt that additional counts may be needed. Those areas were recorded by Mr. Bray so that counts could be conducted.

III. Closing Notes

There being no further business, the meeting was adjourned and the next meeting was set for March 31.
