Subject: Martin County / Town of Williamston Comprehensive Transportation Plan

Dear Mayor Roberson,

The North Carolina Department of Transportation (NCDOT) - Transportation Planning Branch (TPB) is initiating the development of a Comprehensive Transportation Plan (CTP) for Martin County and the Town of Williamston. A CTP is a non-fiscally constrained long-range multi-modal transportation plan that addresses future transportation needs. We also plan to develop a Travel Demand Model (TDM) for the greater Williamston area to aid us in the development of this plan. This is a cooperative process involving NCDOT, the Mid-East Rural Planning Organization (MERPO), the County, Town of Williamston, and any other relevant stakeholders. NCDOT would like your support to cooperatively develop this transportation plan to meet the area's future needs.

If we can be of any assistance or if you have any further questions, feel free to contact me at (919) 707-0934, or cemoya@ncdot.gov. We look forward to working with you in the development of this plan.

Sincerely,

Carlos E. Moya-Astudillo, EI
