

1. Polk County (Morning Session)

a. Project List (attached)

- SPOT heading: Division 14 (not 13!)
- SPOT 5: no bike lanes or sidewalk; instead, add greenway.
- Remove CTP-1/2
- CTP-3: project won't give us ability to consolidate driveways, but as the most-heavily trafficked segment, 100% worth including
- CTP-4: Combine Coxe with Chesnee Rd
- I-26 on Mountain: check with EMS, can definitely wait and see. Possible mobility rationale (safety must be secondary); truck %, check to see if there is a continuous counter
- Houston Rd/White St Intersection improvement

b. Further Discussion

(including next steps, non-highway, etc.)

Next meeting: non-highway modes (bike/ped/transit/rail)

2. McDowell & Rutherford Counties (Afternoon Session)

a. Project List (attached)

- Broyhill Rd being Realigned with Thompson Rd for the Middle School (R-2233BB?). Connection to Rail Trail across US 221
- Continue to talk about US 221A project near Thomas Jefferson HS, moved off face of the earth.
- Modernization of US 221A south of 74 fwy → include in STIP projects; check FS list.
- SPOT projects at Main St (Henrietta?) and Ellenboro-Caroleen
- ***Add STIP R-3612 to project list***

b. Further Discussion

(including next steps, non-highway, etc.)

Next meeting: non-highway modes (bike/ped/transit/rail)

3. Next meeting

a. Non-Highway recommendations

b. Meeting dates

Polk County - **August 19th**

Regional - **Sometime in September**

Added a McDowell follow-up to discuss a few more projects (in July)
