

## 1. Polk County (Morning Session)

**Highway:** Recap Polk Co Highway.

**EMS:** Bobby Arlidge, Sheriff of Polk Co (Plugged in very much), anything from Tryon; grade going down to the bridge (Possible lane for descent)

**Shared Use Paths:**

Go around the pond at Middle School to connect GTS to 108

Connect through the creek round the back of DOT yard, connect to apartment complex E of Hatch Plant (parallel to Blanton St)

Saluda Greenway (SW): Pre-regulatory landfill site, needs testing. Take it off.

Add sidewalk to Ozone Dr to I-26

Add bike paved shoulder from US 176 to Green River Cove Rd

Add Tryon/Columbus and Spindale Ped plans

Take off rail trail for now (still in a plan); let the GTS consultants know.

## 2. McDowell & Rutherford Counties (Afternoon Session)

**Highway:** cover the rest of Rutherford County, include the additional 221A project in Henrietta

**Transit:** Existing(?) in McDowell and Rutherford

GTS & Shared use paths: must be transportation focused, and meet a standard (have to be paved); will not include the trail across the Rutherford-McDowell line

Can we put the map in metro quest? Write comments right on it.

Or does ESRI online have a comment.

RCT Expansion

Current McDowell loops in E/W Marion

Remove CTP-7

Remove Lake Lure - Spindale SUP via 64/74-A (keep western part from river)

Encourage to include a Greenway along Cleghorn Creek (paralleling Coxe Rd)

Add greenway connector from HS/future MS; either a bridge or crossing at Broyhill, greenway along Thompson & Westbrook to connect.

Investigate the lone segment of Separated bike lane on Cove Rd - why?

Investigate Spindale and Forest City proposed for the shape files

Tryon and Columbus ped & bike plan (is a draft)

Add sidewalk to U-5835 (1 side only).

## 3. Next meeting

- a. Project List
- b. Next meeting - October 14<sup>th</sup>
