1. Welcome

Daniel Van Liere with the Upper Coastal Plain RPO began the meeting at 3:15 am and welcomed everyone to the steering committee meeting for the Nash County Comprehensive Transportation Plan (CTP).

2. Goals and Objectives

Mrs. Talanker stated that the Goals and Objectives statement was revised according to the changes suggested at the previous meeting in December.

3. Transportation Survey

Mr. Van Liere presented the Nash County Survey question by question and made changes as discussed. This discussion concluded with the understanding that the survey with changes made would be sent out to all Nash County Municipalities as well as an advertisement placed in the Rocky Mount Telegram and the Nashville Graphic, directing readers to a survey on the web.

4. Maps

Mrs. Talanker asked the steering committee to gather around maps that she had provided to discuss the roads that had been identified for the CTP study. Mrs. Talanker noted that she decided to remove some roads that had been identified due to the low traffic levels. After further discussion the road network was agreed upon as the roads to be studied in the CTP.

5. Next Meeting

The next meeting will take place April 2010.
