Summary of Agenda Items:

Welcome

Carter Spradling welcomed everyone and gave a recap summary of the September meeting.

CTP Progress Update

Michael Abuya, Sangwoo “Marty” Sung, PhD (NCDOT TPD)

- Mr. Abuya and Dr. Sung presented an alternative analysis to the No Build Scenario. This alternative analysis showed the 2050 traffic capacity volume if turn lanes were to be built in congested areas. Dr. Sung emphasized that adding turn lanes is not the only method for reducing congestion and the committee can further discuss alternative means.
- Dr. Sung presented the draft letter of the Randolph County CTP progress update. This letter will update stakeholders and interagency departments of the progress of the plan so far.

Presentation of Randolph County 2.0 Working Draft Maps of Bicycle, Pedestrian, Sidewalk, and Multi-Use Paths

Michael Abuya, Sangwoo “Marty” Sung, PhD (NCDOT TPD)

Mr. Abuya and Dr. Sung presented recommendations routes for bicycle, pedestrian, sidewalk, and multi-use paths across Randolph County. All recommended routes have goals of safety and connectivity. The steering committee participated in a mapping exercise to make changes, add, or remove any of the recommendation Mr. Abuya and Dr. Sung presented.

CTP Next Steps

Sangwoo “Marty” Sung, PhD (NCDOT TPD)

Dr. Sung stated the October and November meetings will be critical to get the CTP ready. Dr. Sung noted that the process to provide a draft report on project recommendations is on track for November 2025. Dr. Sung encouraged committee members to provide feedback via email on presentations covered so far during steering committee meetings.
