Subject: Capital Area MPO Functional Classification System Revisions (updates) for
NC 98 Business caused by the partial completion of the Wake Forest Bypass
(R- 2809)

The Capital Area MPO Functional Classification System has been revised. This update was proposed primarily to allow for the re-alignment of NC 98 Business caused by the partial completion of the Wake Forest Bypass (R-2809). NC 98 Business, NC 98 to the existing NC 98 Business, has been added as an Urban Collector (0.11 Mile). Old NC 98, NC 98 east of SR 2053 to NC 98 Business west of SR 5166, has been deleted as an Urban Collector (0.33 Mile). SR 5166, NC 98 Business to end of new road at water treatment plant, has been added as an Urban Local (0.11 Mile).

The official FHWA approval copy has been received and archived.
