Dear Ms. Stark:

The North Carolina Department of Transportation has worked cooperatively with the **Capital Area MPO** to revise the Functional Classification System. The **Capital Area MPO** Functional Classification System was last updated on **October 15, 2008**. The changes conform as per 23-CFR-470. **Functional Classification revisions and mileage for NC 98 Business:**

- 1. NC 98 Business, NC 98 to the existing NC 98 Business, has been added as an Urban Collector. (0.11 Mile)**
- 2. Old NC 98, NC 98 east of SR 2053 to NC 98 Business west of SR 5166, has been deleted as an Urban Collector. (0.33 Mile)**
- 3. SR 5166, NC 98 Business to end of new road at water treatment plant, has been added as an Urban Local. (0.11 Mile)**
