

FY 2025 BUILD Project Information Form - All Fields Required

****DO NOT CHANGE FILE NAME, COPY/PASTE, OR PDF THIS DOCUMENT WHEN SUBMITTING TO AVOID PROCESSING ERRORS****

Field Name	Response	Instructions
Project Name	LINK NC - Connecting Our 421 Communities	Enter a concise (3-7 word), descriptive title for the project. Do not reference the funding year, BUILD program, or applicant name. This should be the same title used in the Grants.gov SF-424 submission and the application narrative.
Project Description	The project will construct new sidewalks, a multi-use path, new signalized pedestrian crossings, lighting improvements, ADA improvements, and new transit shelters	Describe the project in plain English terms, using no more than 100 words . Best practice would be to start with "This project will" and describe the main activities being planned or constructed. It is important to not include details about the benefits that will result from the project and instead focus on the construction and planning activities. For example, "This project will plan, design, and construct X,Y,Z from <i>location X to location Y</i> " or " This project will plan, design, and construct Complete Streets enhancements, ADA accessible sidewalks, and a dedicated bicycle path along Main Street from 10th Street to 25th Street."
BUILD Amount Requested	\$ 6,044,000.00	Enter the amount of BUILD funds requested for this project. The maximum award size is \$25,000,000. Applicants submitting capital grant applications for projects located in rural areas must request at least \$1 million in BUILD funding. Applicants submitting capital grant applications for projects located in urban areas must request at least \$5 million in BUILD funding. There is no minimum funding request requirement for planning grant applications.
Total Project Cost	\$ 7,555,000.00	The total cost of the project is auto-calculated and is equal to the sum of total Federal funding and total non-Federal funding. This value may not be less than the amount requested. Total Project Cost means future eligible costs. This cannot include any previously incurred costs. This Total should match the Total on the SF-424 item 18.g.
Total Federal Funding	\$ 6,044,000.00	Enter the amount of funds committed to the project from ALL Federal sources, including the proposed BUILD amount. This value may not be less than the amount requested. For applications designated as urban, Federal funding cannot exceed 80% of total project cost unless the project is located in a Historically Disadvantaged Community or an Area of Persistent Poverty as defined in the Notice of Funding Opportunity. For applications designated as rural, there is no limit to the share of Federal funding.
Total Non-Federal Funding	\$ 1,511,000.00	Enter the amount of funds committed to the project from non-Federal sources . For applications designated as urban , the total non-Federal funding amount must be greater than or equal to 20% of the total project cost, unless the project is located in a Historically Disadvantaged Community or an Area of Persistent Poverty as defined in the Notice of Funding Opportunity. For applications designated as rural , there is no minimum non-Federal share requirement.
Capital or Planning	Capital	Identify the project as capital or planning . The " capital " designation is for projects that request funding for the construction of surface transportation capital infrastructure. (<i>Right-of-way acquisition is capital. Projects that include pre-construction AND right-of-way acquisition, but do not include construction activities will be classified as capital.</i>) The " planning " designation is for projects that are requesting funding for planning, preparation, or design of eligible surface transportation capital projects.
2020 Census-designated Urban Area	Wilmington, NC	Select the Urban Area the project is located, or if the project is located outside an Urban Area please select "Not located in an Urban Area". Reference the "Urban or Rural Designation" tab in this file for assistance. For more information, see https://www.transportation.gov/policy-initiatives/raise/raise-location-designations .
Urban/Rural	Urban	Identify whether the project is located in a rural or urban area . A project is designated as urban if it is located in a 2020 Census-designated Urban Area that had a population greater than 200,000. If a project is located outside a 2020 Census-designated Urban Area with a population greater than 200,000, it is designated as a rural project. Reference the "Urban or Rural Designation" tab in this file for assistance. For more information, see https://www.transportation.gov/policy-initiatives/raise/raise-location-designations . If the project is located in an urban AND a rural area, select the appropriate designation based on where the majority of the project funds will be spent (e.g., 51% of project costs spent in a rural area = Rural designation).
Project Location Zip Code	28412	Enter the 5-digit zip code for the project location . If the project is located in more than one zip code, please identify the zip code in which the majority of the project is located. If the project is in a territory that does not have zip codes, leave this field blank. Project location zip code is not the applicant organization's zip code.
