<p><b>COMMENTS:</b> 2011 - There is some four wheeler activity present at the site and hunting is also occurring. There continues to be trespass issues as the lock, chain, and NCDOT property signs have been taken from the site. According to Jose (farm manager at the adjacent property) there have been a lot of trespass issues on-going on their property as well. We chained and locked the gate again and plan to go back and re-sign the site. Jose can be reached at (910) 590-8667.</p> <p>2012 – Chain and lock and sign had been removed. Resigned site and closed gate</p> <p>2013 - There continues to be some four wheeler trespass issues at the site but not as much as in previous years. The activity has mainly stayed on the existing paths and does not seem to be affecting the site. The lock and signs at the gate were once again removed. The site remains in very good condition.</p>
