*\* The purpose of this meeting is to discuss the major points of the permit application, impacts, potential mitigation and draft permit drawings for the Grow the Force Environmental Impact Statement (EIS) and the U-5132 interchange project since one set of permits will be obtained for both projects. The agencies will also have the opportunity to voice any concerns with the designs. This meeting helps to initiate the permit process and promote agency approval since the U-5132 project will not be included in the Merger process.*
