NCDOT GO!NC and Portal User Agreement

Thank you for your interest in obtaining a GO!NC/AGOL U

Prior to obtaining an account, you must agree to the NCDOT C

Please review the agreement below and if you agree, type the save. You will receive a confirmation email and notification of unit.

NCDOT GO!NC and Portal User Agreement

All NCDOT employees, NCDOT Contractors, and NCDOT Ver ArcGIS Portal agree to use the software in accordance with the **Standards and Policies** (the Policy). Failure to adhere to this revocation of an employee's privilege to use GO!NC ArcGIS O

- Employee must ensure that all content adheres to the pi their shared content.
- Employee is wholly responsible for the quality, clarity, ar
- Employee shall ensure no "Confidential" or "Sensitive" c maintained, transmitted, or shared in or with GO!NC.
- Employee acknowledges that items not complying with t automatically by scripts or manually by GO!NC administ
- Employee will not adopt, take over, use, share or contro have left NCDOT service.
- Employee will not host and share public data they do no obtained from the data owner or data steward.
- Employee will not set hosted data to allow data downloa data owner or data steward without permission from the
- Employee acknowledges there is no uptime guarantee f
- Employee acknowledges no content or function in ArcGi tolerant and that content can be accidentally deleted or cc
- Employee acknowledges there is no delete protection or ArcGIS Online and that content can be accidentally delete
- Employee acknowledges that any data originating in Arc and secured to protect against accidental deletion or cor
- Employee shall monitor the usage of products they have, published and remove products that are obsolete or no longer used.

- Any publicly shared content shall be requested at <https://connect.ncdot.gov/site/Website-Requests> and reviewed by the NCDOT Communications, Community Outreach & Public Engagement Unit.

Agreeing to this form, as described above, authorizes me to use the NCDOT ArcGIS Online and Portal systems. This authorization may be terminated by the NCDOT at any time. I have read, understand, and agree to comply with the Policy in order to maintain this authorization of use.

Selecting a role: What's the difference?

When requesting, please specify the role needed. This chart illustrates the different available capabilities in each role.

Capabilities	Viewer	Mobile Worker	Creator
View your team's private maps and applications	X	X	X
Edit existing data or add new data (including submitting to internal Field Maps and Survey123)		X	X
Create your own data, maps, and applications from scratch			X
Export data and reports from Survey123 or maps			X

These roles can be upgraded or downgraded in the future if needed. Please choose the role that fits your current role and duties.

Project Impact Analysis Tool - Login

<https://stipimpactanalysis.gis.ncdot.gov/>

1. Click to Login
2. Organization NCDOT (NCID) Account
3. Use NCID and Password.

Project Impact Analysis Tool – Process

<https://stipimpactanalysis.gis.ncdot.gov/>

Initial Impact estimate will be assessed by EAU using GIS analysis.

Required Updates (3 milestones):

- 1- (2EP1) Advance NEPA/SEPA Doc.
- *Environmental Document*
- 2- (3EP1 / 2RD4) Revisit NEPA-SEPA Doc. /
ROW Plan Completed
- 3- (3EN2) Apply for Permits
- *ECAP will submit final impacts*
