Subject: Daniels Street Mitigation Site, Edgecombe County, TIP #U-3826, DWR Project 20090134

Dear Mr. Harris:

This correspondence is in reference to your letter dated July 8, 2019, for the Daniels Street Mitigation Site, located in Edgecombe County, North Carolina. This site is being utilized by the North Carolina Department of Transportation as compensatory mitigation for Wetland impacts associated with project U-3826. The site was constructed February 2012 with seven years of monitoring required. The regulatory agencies agreed to closeout at the site review meeting June 25, 2019.

By copy of this letter, we are notifying you that this site can be closed out with the following results as described in your letter, and the final monitoring report:
Wetland Restoration: 0.864 acres

Thank you for your time and cooperation. If you have any questions, please contact Rob Ridings at 919-707-3873.

Sincerely,

DocuSigned by:
