Subject: Bawdy & Quicosin Swamp Mitigation Sites, Johnston County, TIP #W-5107, DWR Project 20140914.

Dear Mr. Harris:

This correspondence is in reference to your letter dated July 8, 2019, for the Bawdy & Quicosin Swmp Mitigation Site, located in Johnston County, North Carolina. This site is being utilized by the North Carolina Department of Transportation as compensatory mitigation for Stream and Buffer impacts associated with project W-5107. The site was constructed March 2017 with final monitoring report published Jun 2019. The regulatory agencies agreed to closeout at the site review meeting June 25, 2019.

By copy of this letter, we are notifying you that this site can be closed out with the following results as described in your letter, and the final monitoring report:

Stream Relocation: 350 linear feet.

Zone 1 Neuse Buffer Restoration: 18,314 square feet.

Zone 2 Neuse Buffer Restroation: 10,769 square feet.

Thank you for your time and cooperation. If you have any questions, please contact Rob Ridings at 919-707-3873.

Sincerely,

DocuSigned by:

Amy Chapman
