Subject: UT to Little River (Site 10) Vass Bypass Stream Mitigation Site, Moore County, TIP
No. R-0210A

Dear Dr. Thorpe:

This correspondence is in reference to your letter dated September 10, 2010, regarding the UT to Little River (Site 10) Vass Bypass Stream Mitigation Site located in Moore County, North Carolina. This site is being utilized by the North Carolina Department of Transportation as compensatory mitigation for wetland impacts associated with project R-0210A.

By copy of this letter, we are notifying you that no further monitoring of the site will be required since the construction and success criteria for the mitigation site has been met.

Thank you for your time and cooperation. If you have any questions, please contact David Wainwright at (919)807-6405.

Sincerely,

Coleen Sullins,
Director
