Subject: UT to Muddy Creek Mitigation Site, Randolph County, TIP No. R-2606WM, DWR Project No. 20060331

Dear Mr. Harris,

This correspondence is in reference to your letter dated October 3, 2016, for UT to Muddy Creek, located in Randolph County, North Carolina. This site was being utilized by the North Carolina Department of Transportation as compensatory mitigation for stream impacts associated with project R-2606WM.

By copy of this letter, we are notifying you that no further monitoring of this site will be required since the construction and success criteria for this mitigation site have been met.

Thank you for your time and cooperation. If you have any questions, please contact Ginny Baker at (919) 707-8788 or [virginia.baker@ncdenr.gov](mailto:virginia.baker@ncdenr.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read 'Amy Chapman'.
