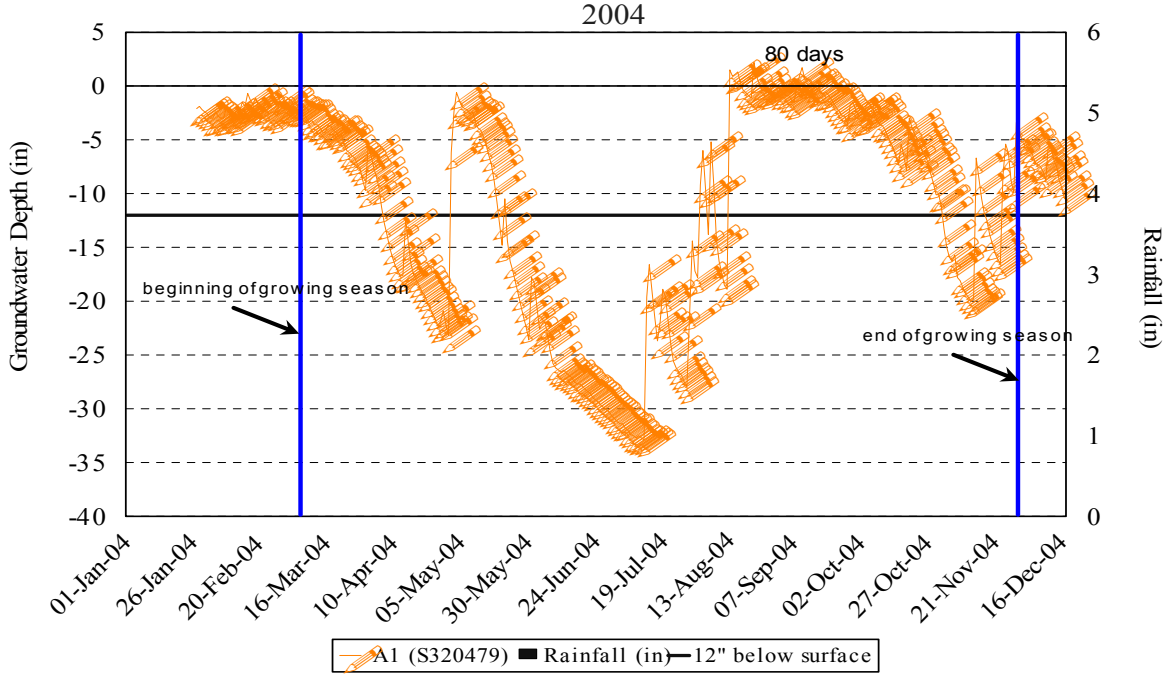
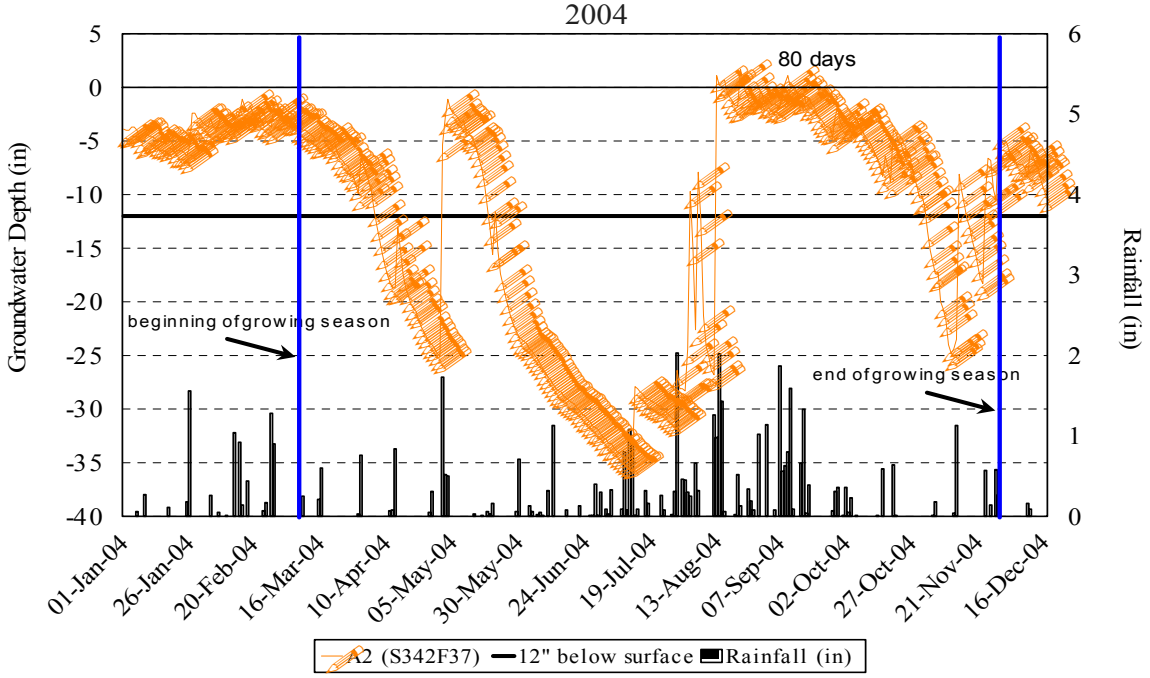
Figure 1. Hydrology Monitoring, Gauge A1
Eagle Brunswick Tract; Restoration
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Note: 1 reading/day

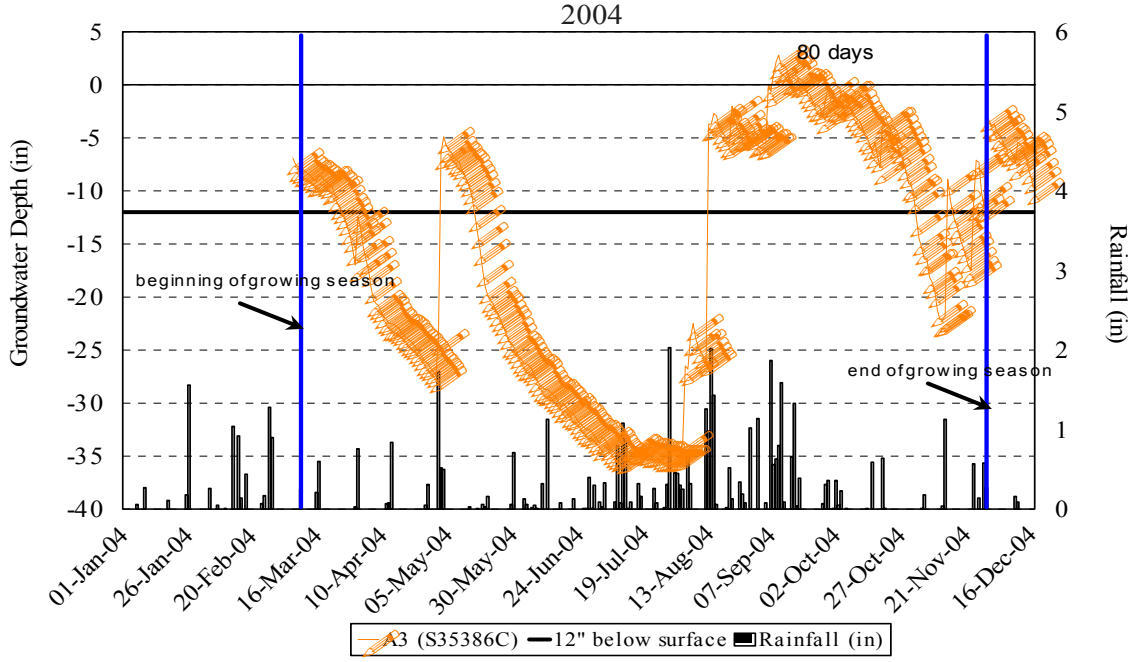
Figure 2. Hydrology Monitoring, Gauge A2
Eagle Brunswick Tract; Restoration
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Note: 1 reading/day

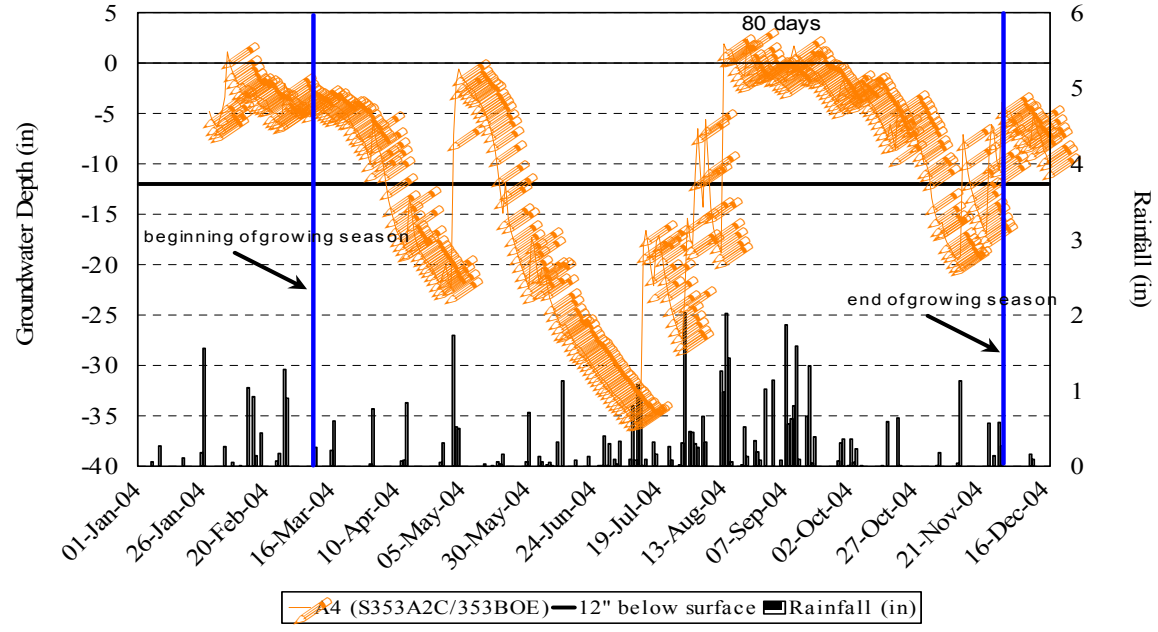
Figure 3. Hydrology Monitoring, Gauge A3
Eagle Brunswick Tract; Restoration
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Note: 1 reading/day

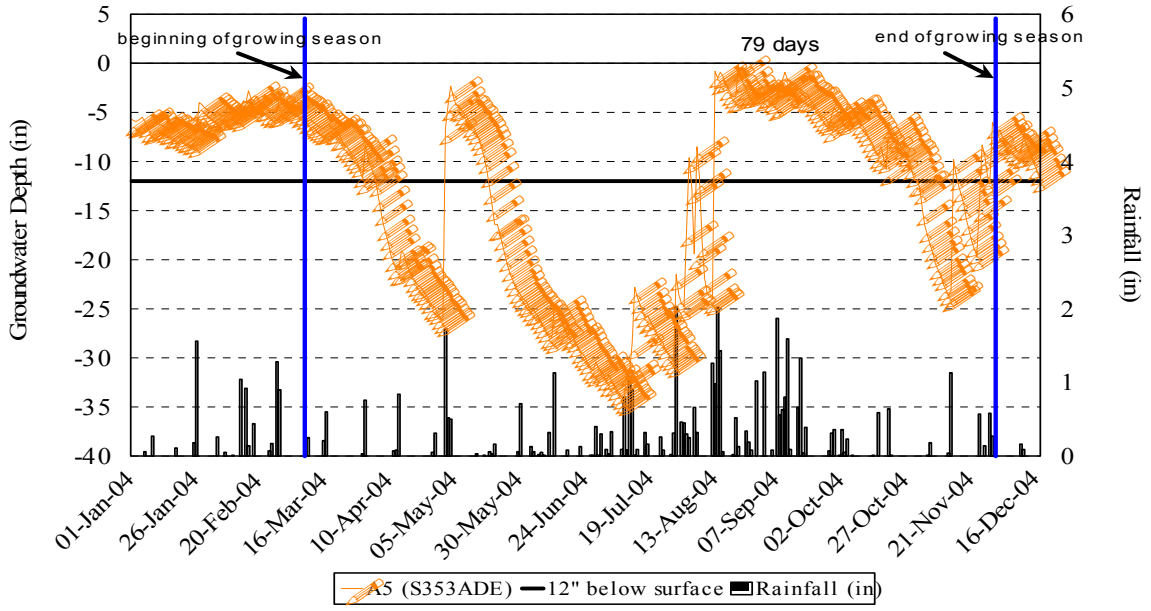
Figure 4. Hydrology Monitoring, Gauge A4
Eagle Brunswick Tract; Enhancement
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Note: 1 reading/day

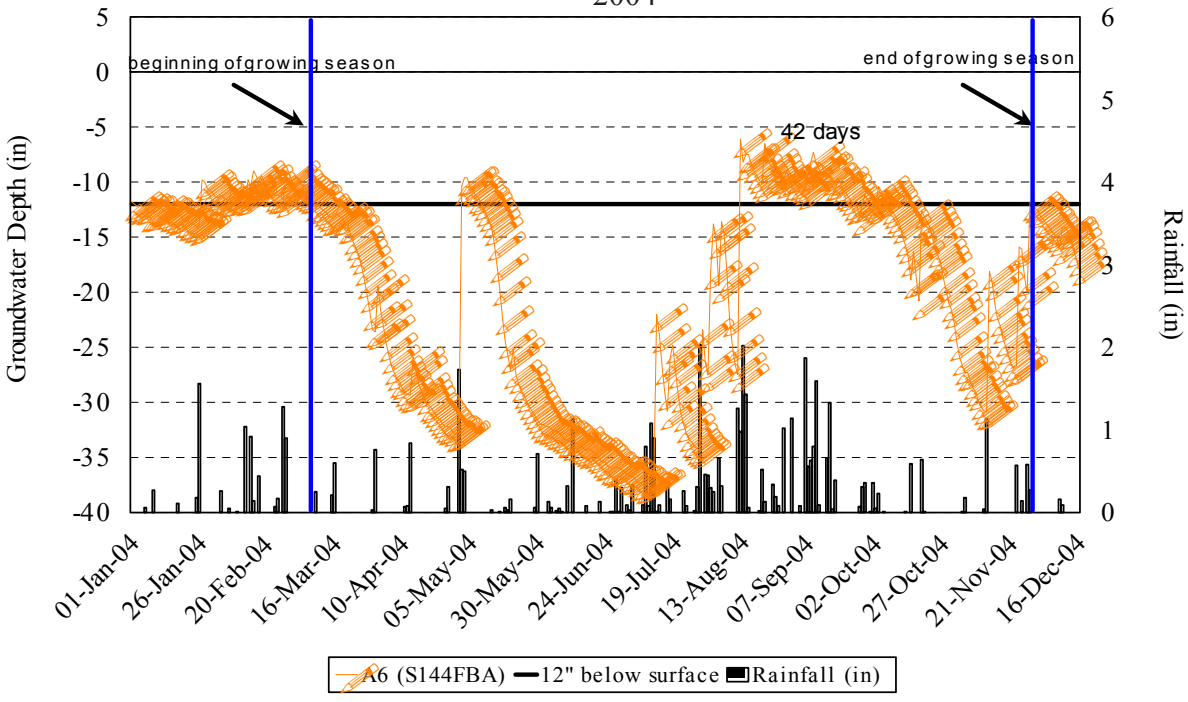
Figure 5. Hydrology Monitoring, Gauge A5
Eagle Brunswick Tract; Enhancement
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Note: 1 reading/day

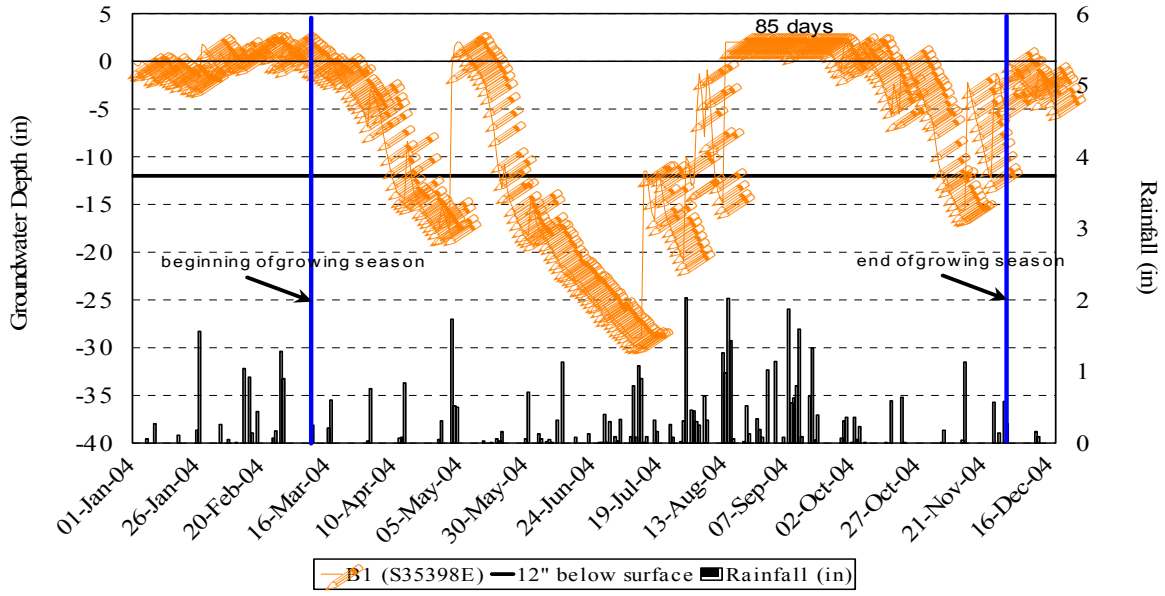
Figure 6. Hydrology Monitoring, Gauge A6
Eagle Brunswick Tract; Enhancement
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Note: 1 reading/day

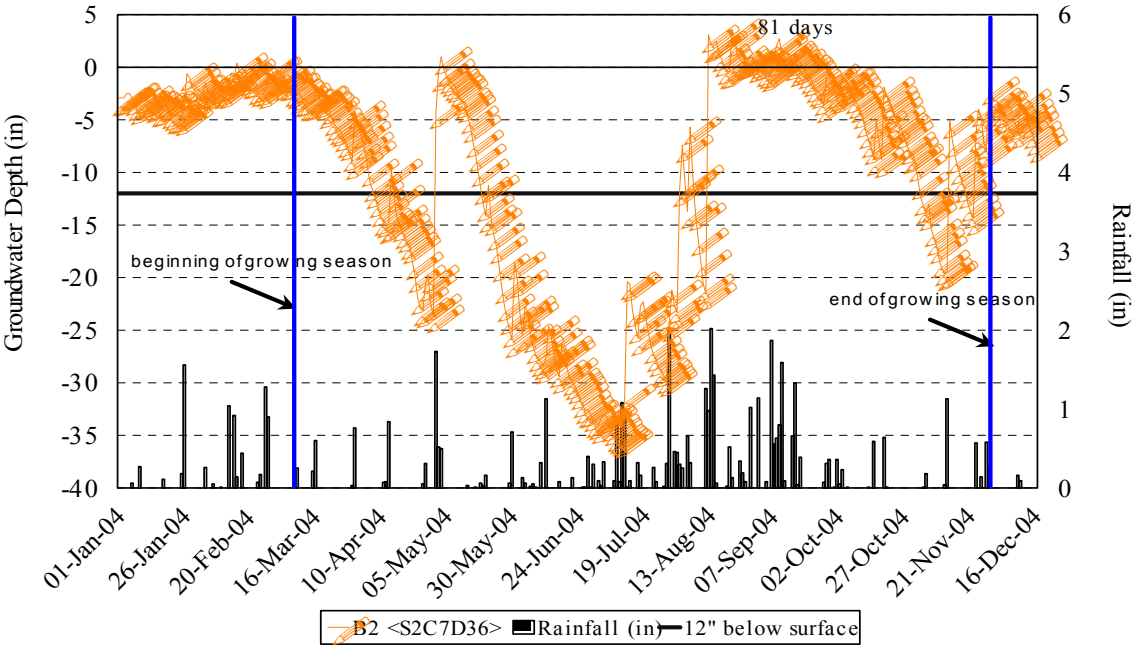
Figure 7. Hydrology Monitoring, Gauge B1
Eagle Brunswick Tract; Restoration
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Note: 1 reading/day

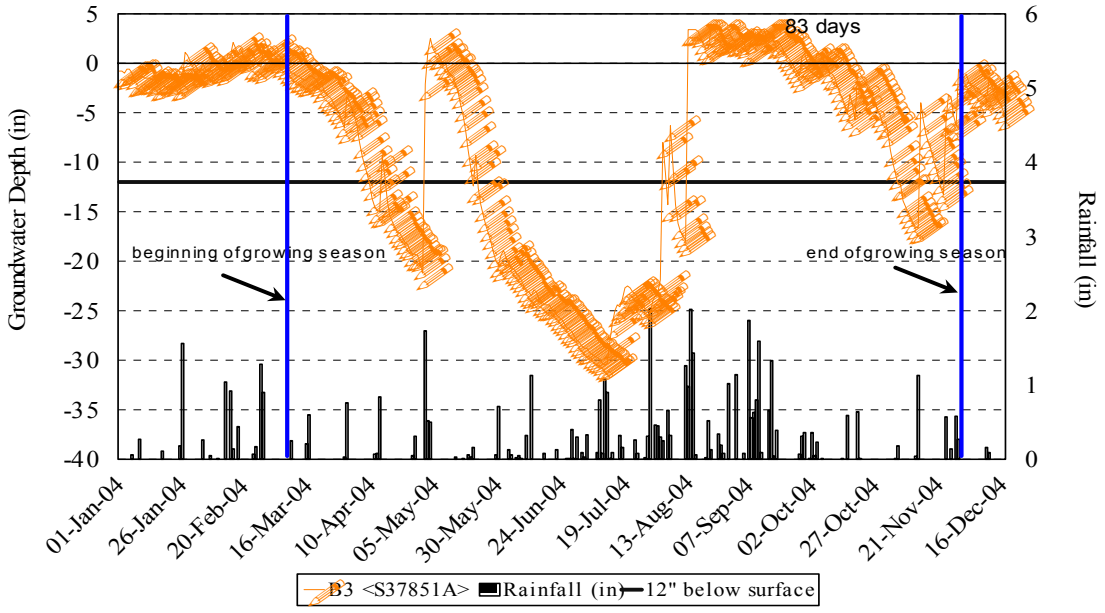
Figure 8. Hydrology Monitoring, Gauge B2
Eagle Brunswick Tract; Restoration
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Note: 1 reading/day

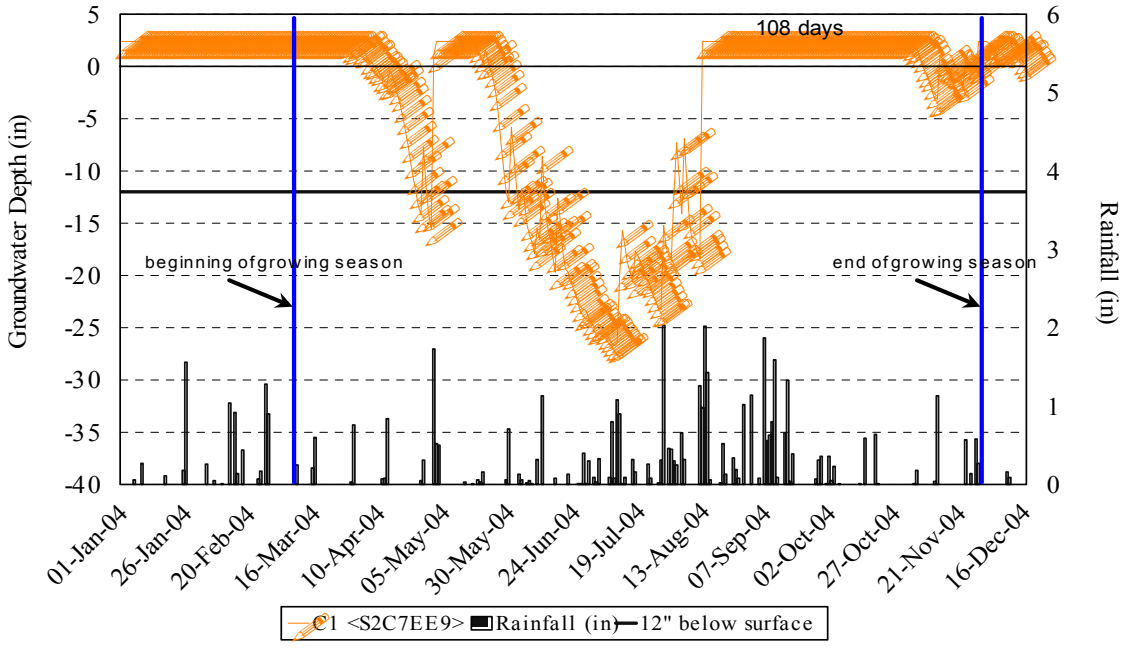
Figure 9. Hydrology Monitoring, Gauge B3
Eagle Brunswick Tract; Restoration
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Note: 1 reading/day

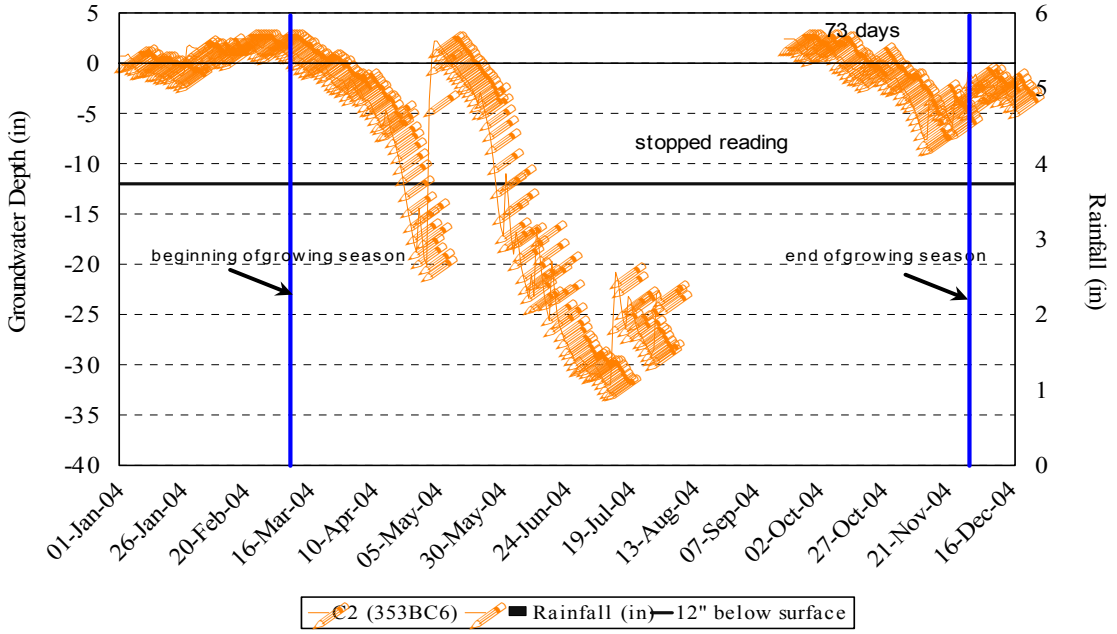
Figure 10. Hydrology Monitoring, Gauge C1
Eagle Brunswick Tract; Restoration
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Note: 1 reading/day

Figure 11. Hydrology Monitoring, Gauge C2
Eagle Brunswick Tract; Restoration
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

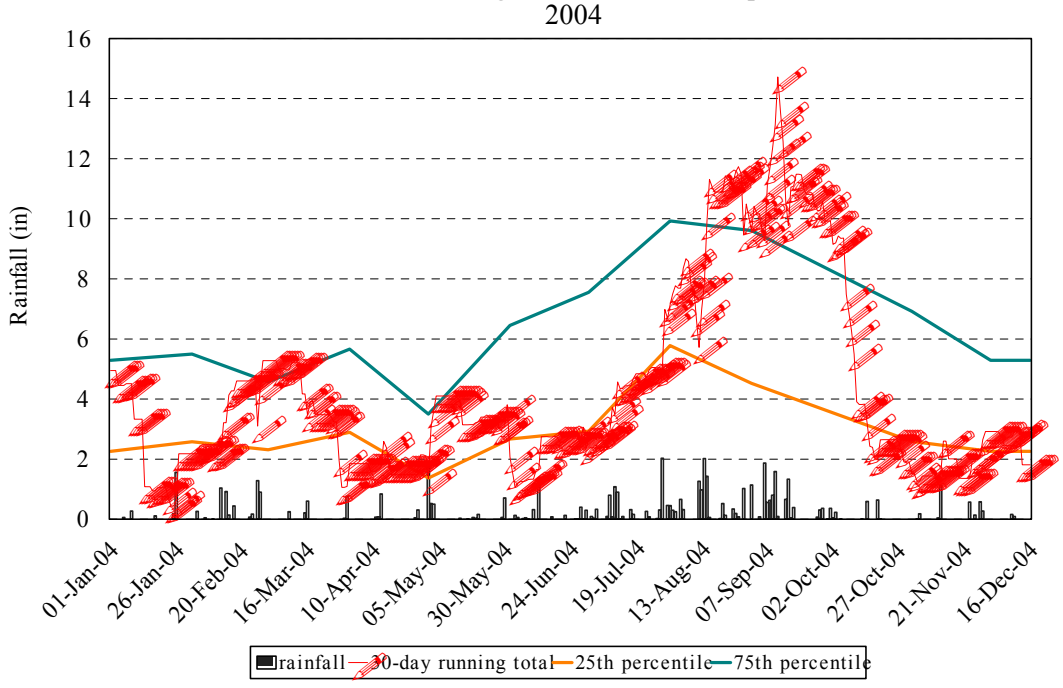
Figure 24. Normal Rainfall Distribution
Wilmington International Airport
2004



Rainfall information provided by the National Climatic Data Center; Wilmington International Airport station.

Based on 50-year data.
30th % calculated from precipitation probabilities based on gamma distribution at 76 North Carolina locations.
