Will do. It will be next week before I can get to them. I am out of the office this afternoon and tomorrow.

Hey Jamie,

No word from Heath on this. Would you mind drawing up those adjusted boundaries for me?

Thanks for all your help on these,

Sarah

Hi Heath,

I was wondering if any of your folks had the updated ROW boundary for sites 1 and 6 on R-3415. We'd like to add the boundaries to our database but don't seem to have an electronic file here. We've found a deed for site 1 that moves some of the PDE into ROW but I'm not able to easily map out the description in the deed so I'm not sure what areas are in what. Any information you have about the particulars on these sites would be helpful.

Thanks,

Sarah Schwarzer
