Re: Cox Swamp Mitigation Site

Dear Mr. Chamblee:

This letter is in reference to your property that lies along Bourbon Street (SR 1207) in Camden County. This property is adjacent to property owned by the N.C. Department of Transportation (NCDOT), and we have been investigating the property for potential wetland mitigation. However, due to the cost of purchasing and constructing the site, the NCDOT has determined that it is not economically feasible to pursue the project any further.

Thank you very much for all of your cooperation during the investigation of this project. Please feel free to contact me at (919) 715-1481 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Lynn Smith".
