NOTES:

1. For precast gravity retaining walls, see section 455 of the standard specifications.
2. For steel beam guardrail, see roadway plans and section 862 of the standard specifications.
3. For single-faced precast concrete barriers, see roadway plans and section 857 of the standard specifications.
4. For single-faced precast concrete barriers, see roadway plans and section 857 of the standard specifications.
5. Precast concrete barriers will require additional shear keys at shear connection points and wall splices.
6. See plan for concrete barrier wall, from to the right side of detail.
7. See plan for concrete barrier wall on the right side of detail.
8. Use precast units with a _______ color for retaining wall no. __.
9. Use precast units with a _______ color for retaining wall no. __.
10. Use precast units with a _______ color for retaining wall no. __.
11. Use precast units with a _______ color for retaining wall no. __.
12. Use precast units with a _______ color for retaining wall no. __.
13. Use precast units with a _______ color for retaining wall no. __.
