

# Census Tract: 37101040600

County: Johnston County  
State: North Carolina  
Population: 3,821

Location Map

## Identified as disadvantaged?

**YES**

This tract is considered disadvantaged because it meets more than 1 burden threshold **AND** the associated socioeconomic threshold.

## Low income

People in households where income is less than or equal to twice the federal poverty level, not including students enrolled in higher ed

**90th**

above 65th percentile

## Climate change

—

### Expected agriculture loss rate

Economic loss to agricultural value resulting from natural hazards each year

**94th**

above 90th percentile

### Expected building loss rate

Economic loss to building value resulting from natural hazards each year

**89th**

not above 90th percentile

### Expected population loss rate

Fatalities and injuries resulting from natural hazards each year

**89th**

not above 90th percentile

### Projected flood risk

Projected risk to properties from projected floods, from tides, rain, riverine and storm surges within 30 years

**46th**

not above 90th percentile

### Projected wildfire risk

Projected risk to properties from wildfire from fire fuels, weather, humans, and fire movement in 30 years

**33rd**

not above 90th percentile

## Energy

—

### Energy cost

Average annual energy costs divided by household income

**91st**

above 90th percentile

### PM2.5 in the air

Level of inhalable particles, 2.5 micrometers or smaller

**24th**

not above 90th percentile

### AND

### Low income

People in households where income is less than or equal to twice the federal poverty level, not including students enrolled in higher ed

**90th**

above 65th percentile

## Health

—

### Asthma

Share of people who have been told they have asthma

**85th**

not above 90th percentile

### Diabetes

Share of people ages 18 years and older who have diabetes other than diabetes during pregnancy

**92nd**

above 90th percentile

### Heart disease

Share of people ages 18 years and older who have been told they have heart disease

**89th**

not above 90th percentile

### Low life expectancy

Average number of years a person can expect to live

**80th**

not above 90th percentile

Housing	Legacy pollution
<p><b>Housing cost</b> Share of households making less than 80% of the area median family income and spending more than 30% of income on housing</p> <p><b>Lack of green space</b> Amount of land, not including crop land, that is covered with artificial materials like concrete or pavement</p> <p><b>Lack of indoor plumbing</b> Share of homes without indoor kitchens or plumbing</p> <p><b>Lead paint</b> Share of homes that are likely to have lead paint</p>	<p><b>Abandoned mine land</b> Presence of one or more abandoned mine land within the tract</p> <p><b>Formerly Used Defense Sites</b> Presence of one or more Formerly Used Defense Site within the tract</p> <p><b>Proximity to hazardous waste facilities</b> Count of hazardous waste facilities within 5 kilometers</p> <p><b>Proximity to Risk Management Plan facilities</b> Count of Risk Management Plan (RMP) facilities within 5 kilometers</p>
<p><b>Transportation</b></p>	
<p><b>Diesel particulate matter exposure</b> Amount of diesel exhaust in the air</p> <p><b>Transportation barriers</b> Average of relative cost and time spent on transportation</p> <p><b>Traffic proximity and volume</b> Count of vehicles at major roads within 500 meters</p>	<p><b>No</b></p> <p><b>--</b> missing data</p> <p><b>31st</b> not above 90th percentile</p> <p><b>47th</b> not above 90th percentile</p> <p><b>18th</b> not above 90th percentile</p>

**86th**  
not above 90th percentile

**37th**  
not above 90th percentile

**86th**  
not above 90th percentile

**62nd**  
not above 90th percentile

**24th**  
not above 90th percentile

**90th**  
above 90th percentile

**56th**  
not above 90th percentile

## Water and wastewater

### Underground storage tanks and releases

Formula of the density of leaking underground storage tanks and number of all active underground storage tanks within 1500 feet of the census tract boundaries

**77th**  
not above 90th  
percentile

### Wastewater discharge

Modeled toxic concentrations at parts of streams within 500 meters

**28th**  
not above 90th  
percentile

## Workforce development

### Linguistic isolation

Share of households where no one over age 14 speaks English very well

**41st**  
not above 90th  
percentile

### Low median income

Comparison of median income in the tract to median incomes in the area

**96th**  
above 90th  
percentile

### Poverty

Share of people in households where income is at or below 100% of the Federal poverty level

**88th**  
not above 90th  
percentile

### Unemployment

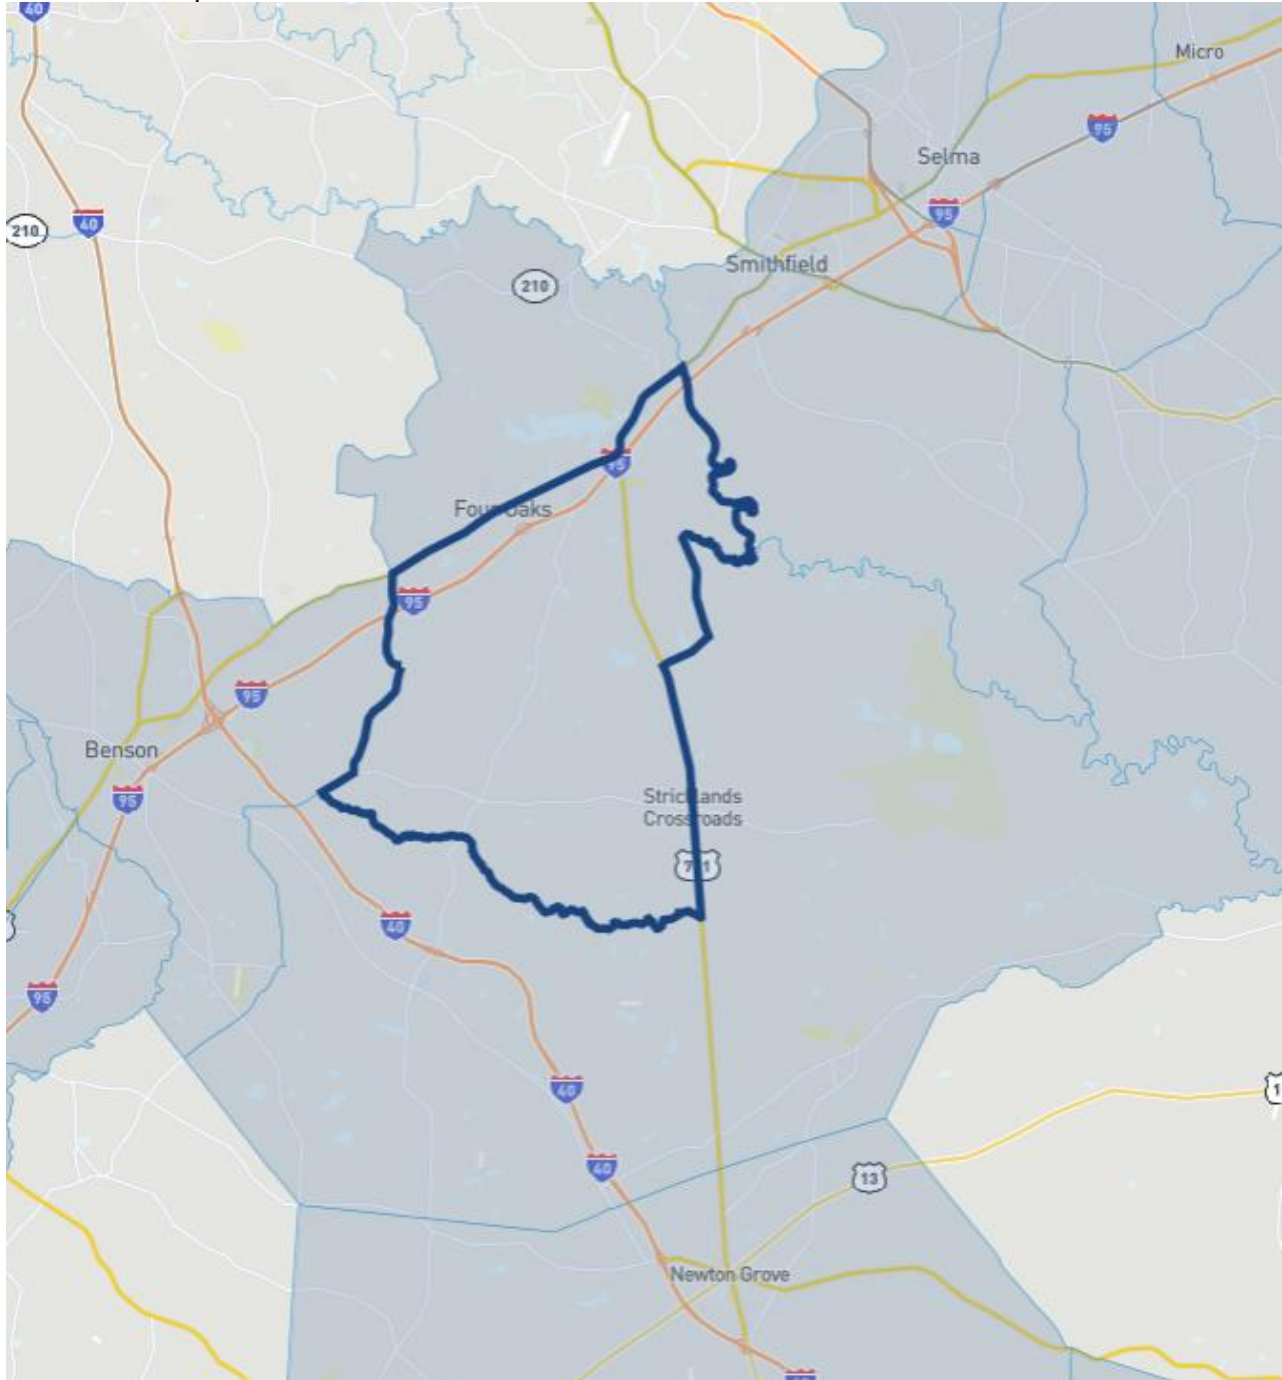

Number of unemployed people as a part of the labor force

**73rd**  
not above 90th  
percentile

## Census Tract: 37101041202

County: Johnston County  
State: North Carolina  
Population: 5,241

Location Map

### Identified as disadvantaged?

**YES**

This tract is considered disadvantaged because it meets more than 1 burden threshold AND the associated socioeconomic threshold.

### Low income

People in households where income is less than or equal to twice the federal poverty level, not including students enrolled in higher ed

**82nd**  
above 65<sup>th</sup>  
percentile

## Climate change

### Expected agriculture loss rate

Economic loss to agricultural value resulting from natural hazards each year

**93rd**

above 90th percentile

### Expected building loss rate

Economic loss to building value resulting from natural hazards each year

**85th**

not above 90th percentile

### Expected population loss rate

Fatalities and injuries resulting from natural hazards each year

**79th**

not above 90th percentile

### Projected flood risk

Projected risk to properties from projected floods, from tides, rain, riverine and storm surges within 30 years

**45th**

not above 90th percentile

### Projected wildfire risk

Projected risk to properties from wildfire from fire fuels, weather, humans, and fire movement in 30 years

**67th**

not above 90th percentile

## Energy

### Energy cost

Average annual energy costs divided by household income

**73rd**

not above 90th percentile

### PM2.5 in the air

Level of inhalable particles, 2.5 micrometers or smaller

**23rd**

not above 90th percentile

## AND

### Low income

People in households where income is less than or equal to twice the federal poverty level, not including students enrolled in higher ed

**82nd**

above 65th percentile

## Health

### Asthma

Share of people who have been told they have asthma

**73rd**

not above 90th percentile

### Diabetes

Share of people ages 18 years and older who have diabetes other than diabetes during pregnancy

**77th**

not above 90th percentile

### Heart disease

Share of people ages 18 years and older who have been told they have heart disease

**80th**

not above 90th percentile

### Low life expectancy

Average number of years a person can expect to live

**88th**

not above 90th percentile

## Housing

—

### Housing cost

Share of households making less than 80% of the area median family income and spending more than 30% of income on housing

**63rd**

not above 90<sup>th</sup> percentile

### Lack of green space

Amount of land, not including crop land, that is covered with artificial materials like concrete or pavement

**42nd**

not above 90<sup>th</sup> percentile

### Lack of indoor plumbing

Share of homes without indoor kitchens or plumbing

**21st**

not above 90<sup>th</sup> percentile

### Lead paint

Share of homes that are likely to have lead paint

**47th**

not above 90<sup>th</sup> percentile

## Transportation

—

### Diesel particulate matter exposure

Amount of diesel exhaust in the air

**21st**

not above 90<sup>th</sup> percentile

### Transportation barriers

Average of relative cost and time spent on transportation

**94th**

above 90<sup>th</sup> percentile

### Traffic proximity and volume

Count of vehicles at major roads within 500 meters

**48th**

not above 90<sup>th</sup> percentile

## Legacy pollution

—

### Abandoned mine land

Presence of one or more abandoned mine land within the tract

**No**

### Formerly Used Defense Sites

Presence of one or more Formerly Used Defense Site within the tract

**--**

missing data

### Proximity to hazardous waste facilities

Count of hazardous waste facilities within 5 kilometers

**38th**

not above 90<sup>th</sup> percentile

### Proximity to Risk Management Plan facilities

Count of Risk Management Plan (RMP) facilities within 5 kilometers

**18th**

not above 90<sup>th</sup> percentile

### Proximity to Superfund sites

Count of proposed or listed Superfund (or National Priorities List (NPL)) sites within 5 kilometers

**18th**

not above 90<sup>th</sup> percentile

## Water and wastewater

—

### Underground storage tanks and releases

Formula of the density of leaking underground storage tanks and number of all active underground storage tanks within 1500 feet of the census tract boundaries

**47th**

not above 90th percentile

### Wastewater discharge

Modeled toxic concentrations at parts of streams within 500 meters

**26th**

not above 90th percentile

## Workforce development

—

### Linguistic isolation

Share of households where no one over age 14 speaks English very well

**81st**

not above 90th percentile

### Low median income

Comparison of median income in the tract to median incomes in the area

**86th**

not above 90th percentile

### Poverty

Share of people in households where income is at or below 100% of the Federal poverty level

**72nd**

not above 90th percentile

### Unemployment

Number of unemployed people as a part of the labor force

**61st**

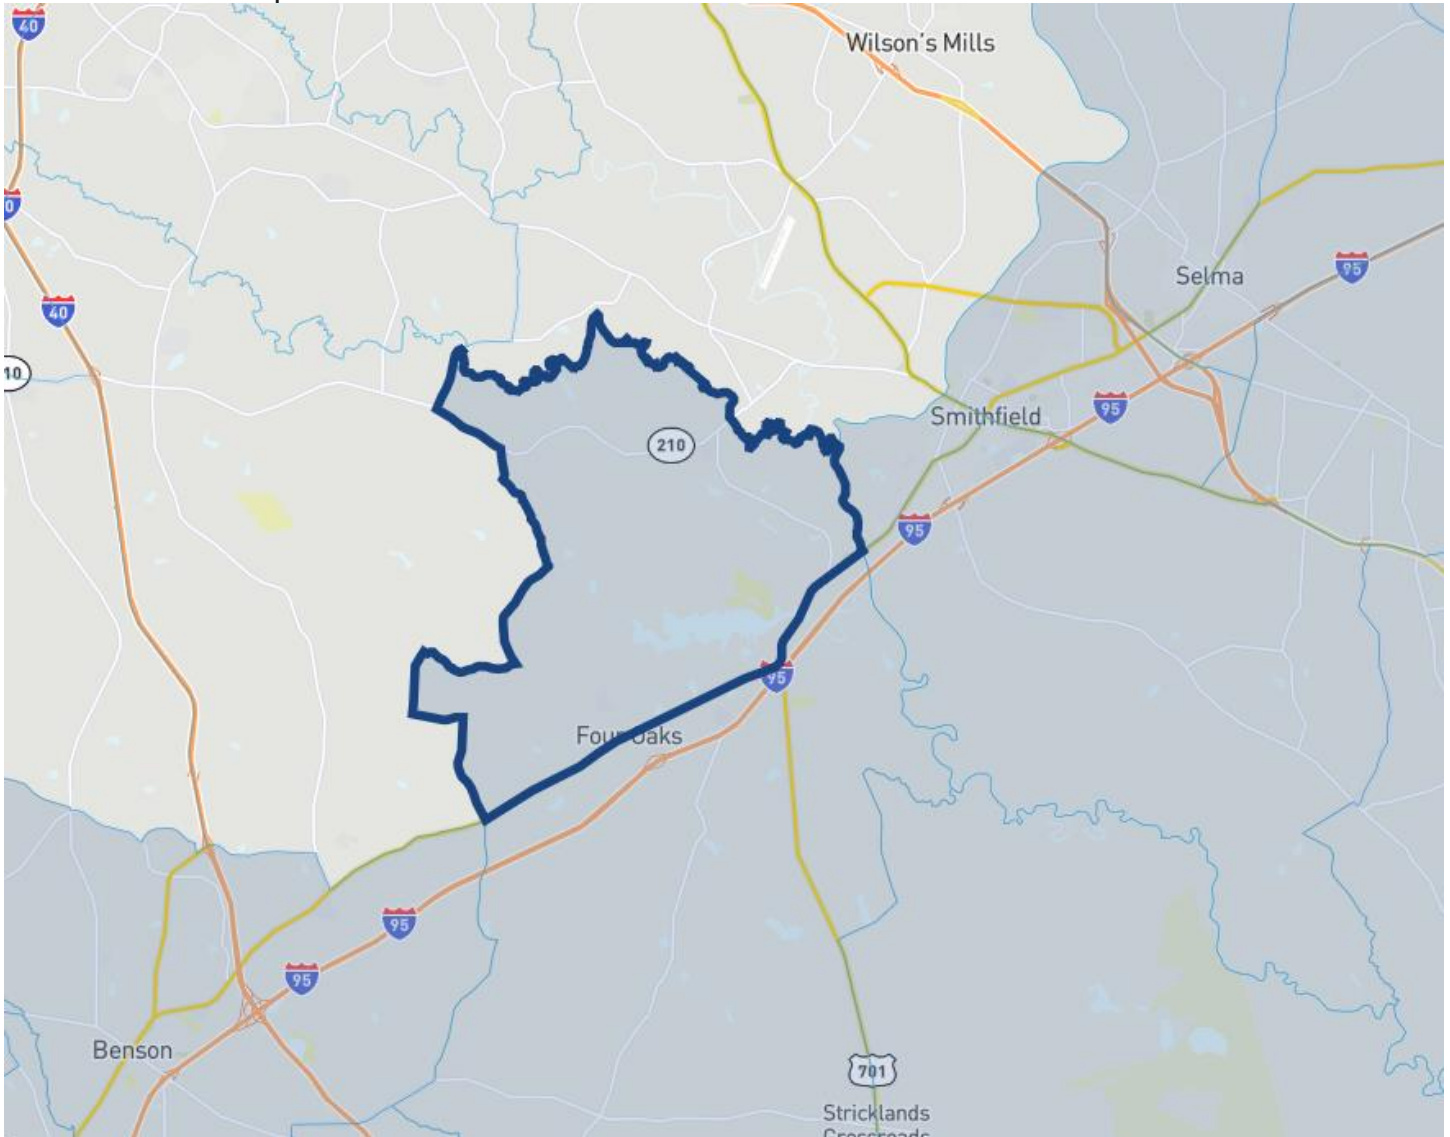

not above 90th percentile

## Census Tract: 37101041201

County: Johnston County  
State: North Carolina  
Population: 4,153

Location Map

### Identified as disadvantaged?

**YES**

This tract is considered disadvantaged because it meets more than 1 burden threshold AND the associated socioeconomic threshold.

### Low income

People in households where income is less than or equal to twice the federal poverty level, not including students enrolled in higher ed

**74th**
