Effective Date:

The Board of Transportation has delegated to the Secretary of Transportation the authority to adopt and promulgate all rules and regulations and ordinances regulating traffic on the highways pursuant to authority of N.C.G.S. 143B-350(f)(g) – see 19 A NCAC 4A.0006.

The Director of Asset Management is sub-delegated the authority by the Secretary of Transportation to designate any road on the State Highway System (excluding routes designated as Interstate, US, and NC routes) as a “LIGHT TRAFFIC ROAD” upon recommendation by the Division Engineer pursuant to authority of N.C.G.S. 143B-350(f)(g) – see 19A NCAC 4A.0006.

Pursuant to that delegation, the Director of Asset Management hereby adopts and promulgates the following Light Traffic Road ordinance based on the recommendation of the Division Engineer in accordance with General Statute 20-118(b)(4).

**DEPARTMENT OF TRANSPORTATION
LIGHT TRAFFIC ROAD ORDINANCE**

Pursuant to the provisions of G.S. 20-118(b)(4), the Director of Asset Management determines, upon recommendation of the Division Engineer, that the roads herein listed are inadequate to carry and would be injuriously affected by trucks or buses using the said roads and carrying the statutory load limits, unless restricted. The said highways are hereby designated as light traffic roads.
