All ADA (Americans with Disabilities Act) requests need prior approval by the ACI Certification Board. Requests for special accommodations need to include written documentation from a medical professional detailing the physical limitation of the examinee. Requests need to be made at least two weeks prior to the examination date and need to be emailed to Jim Sawyer at jsawyer@ncdot.gov.

Individuals with temporary injuries are not covered under the ADA and should be rescheduled for a future exam session. Individuals rescheduled due to temporary injuries need to provide a doctor's note clearing them for participation.
