

NCDOT Materials and Tests Unit

Field and Lab Course Fees

Course	Fees
ABC Sampling Technician	\$100.00
ABC Sampling Technician Recertification	\$25.00
ABC Sampling Technician Retest	\$50.00
Asphalt Mix Design	\$250.00
Asphalt Mix Design Retest	\$50.00
Borrow Pit Sampling	\$100.00
Borrow Pit Sampling Recertification	\$25.00
Borrow Pit Sampling Retest	\$50.00
Conventional Density Technician	\$200.00
Conventional Density Technician Recertification	\$25.00
Conventional Density Technician Retest	\$50.00
Chemical Stabilization Subgrade/Base QA Field	\$100.00
Concrete Field Technician	\$500.00
Concrete Field Technician Retest (NCDOT Only)	\$250.00
Concrete Field Technician (ACI Only)	\$250.00
Concrete Field Technician (Performance Only)	\$250.00
Concrete Mix Design	\$150.00
Concrete Batch Technician	\$200.00
Introduction to Asphalt (Stanly Community College)	Contact College
Nuclear Density Testing – Base, Select, & FDR Materials	\$100.00
Nuclear Density Testing – Base, Select, & FDR Materials Recertification	\$25.00
Nuclear Density Testing – Base, Select, & FDR Materials Retest	\$50.00
Nuclear Safety and Hazardous Materials	For NCDOT employee only – No charge
Nuclear Safety and Hazardous Materials Refresher	For NCDOT employee only – No charge
Portland Cement Concrete Pavement	\$200.00
Portland Cement Concrete Pavement Retest Exam Only	\$50.00
QCQA Aggregate Sampling	\$150.00
QCQA Aggregate Sampling Retest	\$50.00
QCQA Aggregate Testing	\$150.00
QCQA Aggregate Testing Retest	\$50.00
QMS Density Gauge	\$100.00
QMS Density Gauge Recertification	\$25.00
QMS Density Gauge Retest	\$50.00

11/10/2025

QMS Roadway Technician	\$250.00
QMS Roadway Technician Retest	\$50.00
QMS Level I Plant Technician	\$250.00
QMS Level I Plant Technician Retest	\$50.00
QMS Level II Plant Technician	\$250.00
QMS Level II Plant Technician Retest	\$50.00
Superpave (Trimat)	Contact Trimat
Welding – Bridge Welder Limited	\$500.00
Welding – Bridge Welder	\$500.00
Welding – SIP	\$250.00
