The Honorable Sean Duffy
Secretary of Transportation
United States Department of Transportation
1200 New Jersey Avenue, SE
Washington, DC 20590

**Re: Letter of Support – North Carolina Department of Transportation
FY2024–FY2026 USDOT PROTECT Application**

Dear Secretary Duffy,

The Wilmington Urban Area Metropolitan Planning Organization is pleased to support the North Carolina Department of Transportation's (NCDOT) application for the U.S. Department of Transportation's (USDOT) Promoting Resilient Operations for Transformative, Efficient, and Cost-Saving Transportation (PROTECT) Program. Funding will improve and expand nationally recognized transportation-focused flood-resilience and -response tools that together allow for NCDOT, federal, state, local agencies, and the traveling public to more proactively prepare for, respond to, and recover from statewide flood threats. The application is titled **North Carolina Sustainable solutions for Transforming flooding prediction to build Resilient infrastructure and Optimized operations through Next-generation tools and Groundbreaking innovation, or NC STRONG** for short.

These systems are essential for providing public safety and economic continuity during flood events. Together, they help determine and anticipate flood and storm surge impacts and identify critical assets at risk. By connecting hazard information before, during, and after hazardous events, the framework informs emergency routing, inspection priorities, critical-corridor identification, and coordination among state and local agencies, emergency responders, businesses, and communities. Through this grant, NCDOT's suite of flood warning tools will strengthen North Carolina's ability to anticipate disruptions, reduce community isolation, maintain access to critical services and economic centers, prioritize resilient investments, and accelerate post-disaster recovery.

The Wilmington Urban Area Metropolitan Planning Organization strongly supports this application and respectfully encourages the Federal Highway Administration to fund the framework's progression that protects public safety, maintains critical access, reduces isolation, bolsters economic continuity, and improves resilient investment decisions.

Wilmington Urban Area Metropolitan Planning Organization

City of Wilmington • Town of Carolina Beach • Town of Kure Beach • Town of Wrightsville Beach
County of New Hanover • Town of Belville • Town of Leland • Town of Navassa • County of Brunswick
County of Pender • Cape Fear Public Transportation Authority • North Carolina Department of Transportation

Thank you for your attention to this important matter. Please do not hesitate to contact me should you require any additional information or assistance.

Sincerely,

Mike Kozlosky
Executive Director
